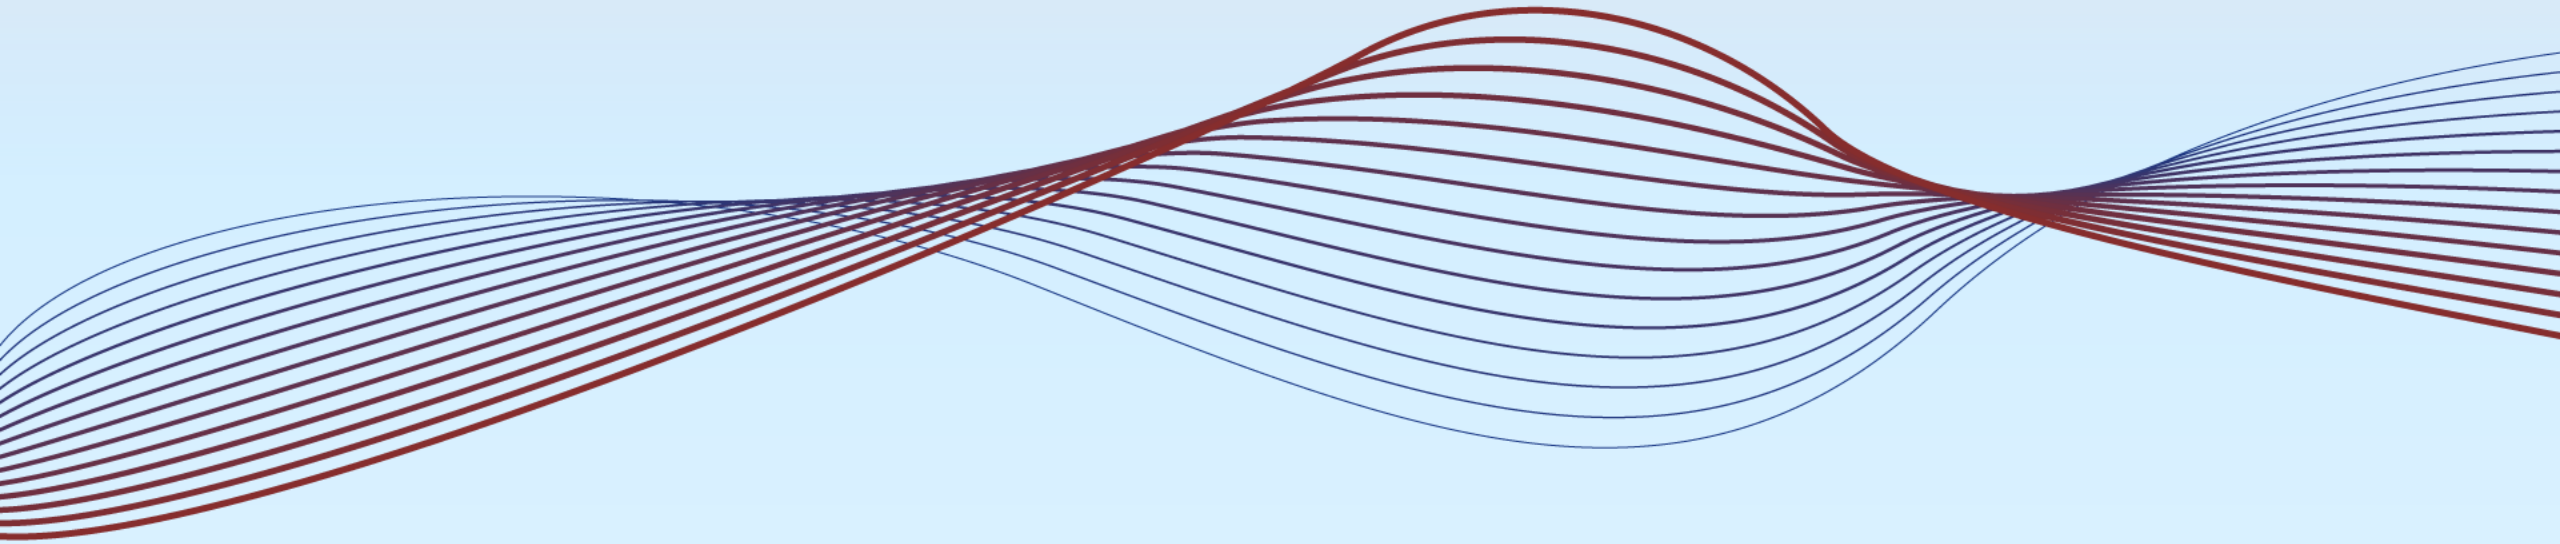
CAR-T for Autoimmune Diseases Meeting

Berlin, Germany

23-25 September 2027



EBMT Autoimmune Diseases ADWP

EBMT Complications CWP

EBMT Cellular Therapy & Immunobiology CTIWP

Welcome Message

Welcome to Cellular Therapies for Autoimmune Diseases

Dear colleagues,

It is our pleasure to welcome you to this educational meeting, organized jointly by the EBMT Autoimmune Diseases (ADWP), Cellular Therapy & Immunobiology (CTIWP) and Complications (CWP) Working Parties.

CAR-T cells, bispecific T cell engagers and stem cell transplantation offer great promise for patients with severe, refractory autoimmune disease, but also raise challenges in patient selection and the management of complications. Bringing together leading scientists and clinicians, this course focuses on the immunological mechanisms underlying immune reset, linking these insights to emerging clinical data and practical, protocol-driven care, with hands-on teaching from experienced clinical experts.

The meeting is designed as an interdisciplinary forum, open to everyone involved in the patient journey: referring physicians, rheumatologists, neurologists and other autoimmune disease specialists, hematologists, nurses and allied health professionals, and clinical scientists. The patient perspective is an integral part of the programme. Together, we hope to shape how cellular therapies can be safely and effectively integrated into the care of patients with autoimmune diseases.

We look forward to welcoming you.

On behalf of the organizing committee,

Opportunties & Benefits

Sponsorship Level:	Commercial Track				NEW Supporter Track
	Platinum Partner (2 slots available)	**Gold Partner**	**Silver Partner**	**Bronze Partner**	**Meeting Supporter***
Logo acknowledgement on virtual meeting materials	✓	✓	✓	✓	✓
Complimentary full registrations	**5**	**4**	**3**	**2**	**1**
Exhibition	**1 roll-up banner** (Booth available at an additional cost)	**Complimentary booth** (table, 2 chairs and roll-up banner)	**Complimentary booth** (table, 2 chairs and roll-up banner)	**1 roll-up banner**	**1 roll-up banner**

Symposium Session	**Industry Symposium** (1 session of 45 min, hands-on)	-	-	-	-
NEW **Symposium Session Recording** (raw file)	Subject to availability (additional cost)	-	-	-	-
E-blast emailing to the registered attendees (following GDPR)	✓	-	-	-	-

***Meeting Supporter:** Designed to facilitate participation from emerging companies, biotech, SMEs and local affiliates in the host country/territory with dedicated but limited congress budgets. Availability is limited and subject to organiser approval.

Additional Support Opportunities

Sponsored Session through an Independent Educational Grant (amount upon request)

Support the CME-accredited scientific programme through an unrestricted educational grant.
The supporter company provides financial support for the overall scientific programme or for a CME-accredited lecture from the scientific programme. In all cases, the Scientific Committee is responsible for the educational content, faculty and speaker selection. The supporting company has no influence over the content or delivery of the educational activity.

It includes:
-Acknowledgement in the digital scientific programme booklet (text only):
"This lecture is supported through an Independent Educational Grant by [Company Name]."

-Logo acknowledgement in the meeting website as "Educational Supporter".

Blackout Policy

Industry is welcome to organise meetings during the dates of the event after the conclusion of the Scientific Programme of that day. However, note that no meetings or events involving HCPs are to be scheduled during the Scientific Programme hours, or during any social events organised by EBMT within the meeting.

If you plan to organise any event or private meetings, please inform EBMT first to ensure there is no clashing with the programme.

2027 Calendar

Educational Meetings

21-22 January	**EBMT Myeloid Malignancies Meeting** Paris, France
4-6 February	**EHA-EBMT 9th European CAR T-cell Meeting** Lisbon, Portugal
11-14 April	**53rd Annual Meeting of the EBMT** Rotterdam, Netherlands
3-5 September	**12th EBMT International Transplant and Cellular Therapy Course** Barcelona, Spain
9-11 September	**EBMT Master Course on Clinical Research in HCT and Cellular Therapies** Naples, Italy
23-25 September	**EBMT Cellular Therapy in Autoimmune Diseases Meeting** Berlin, Germany
3-5 November	**EBMT Lymphoid Malignancies Meeting (Lymphoma, Myeloma and CLL)** Barcelona, Spain
18-20 November	**EBMT Transplantation and Cellular Therapy Summit** Krakow, Poland

Visit **ebmt.org/events** to sign up and contact **fundraising@ebmt.org** for sponsorship info.
