

Paediatric Day

Tuesday, 3 April 2012

During EBMT 2012 Annual Meeting taking place at the Palexpo, Geneva, Switzerland from 1 - 4 April 2012 there will be a special day for paediatric stem cell transplantation.

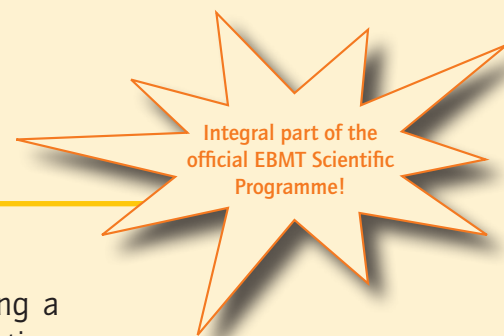

Almost all paediatric activities such as educational, working party, scientific and poster sessions have been regrouped and will be held on **Tuesday, 3 April 2012**.

Nurses paediatric sessions will take place on Monday and Wednesday.

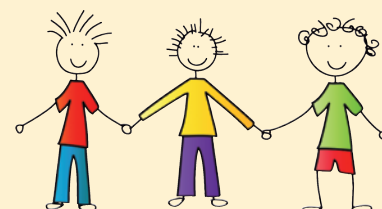

Integral part of the
official EBMT Scientific
Programme!

We are looking forward to attracting and welcoming a lot of paediatric hemato-oncologists to the EBMT meeting and to attend the paediatric sessions.

For more information and registration please refer to:
