Annex: separate documents
- Example of Exhibition Floor Plan
- Congress President Job Description
- Expression of Interest to Bid
- Room Overview
- Bid Template
This document reflects the reality of the European Society for Blood and Marrow Transplantation as it stands now in June 2017, and does not reflect any possible or eventual changes of the society we are not aware of currently. Please note that EBMT is in a process of In-Housing of Annual Meeting over all organization. Executive Office will be managing all the aspects of the meeting however may also out-source some activities. The Board reserves the right to change the organisation or the conditions / requirements to hold an EBMT Annual Meeting.

Decisions are made during Board Meetings and candidates considering holding EBMT 2021 will be informed accordingly including any possible changes and their impact.
## 1. Timing for EBMT 2021 Selection process
### June 2017 – January 2018

2. Venue Selection Process

2.1. Selection of venues

EBMT Annual Meetings are hosted in European cities with the requisite infrastructure to fulfil the meeting requirements. Tourist-type resorts are not eligible as venues due to the increasingly strict Pharmaceutical Industry codes of conduct on participation in meetings at national and international level.

Calls for bids will be announced each year and members of the EBMT wishing to host the EBMT Annual Meeting are requested to submit an “Expression of Interest to Bid” and produce a “Complete Bid Document” describing location & accessibility, overview of congress venue, scope for symposia, exhibition & poster sessions, hotel accommodation, etc.

Only the bids submitted before the deadlines will be eligible for consideration.

EBMT Executive Office evaluates the suitability of the various venues (conducting a site-visit as necessary) and produces an evaluation report for the Board. Only venues evaluated by EBMT to be suitable for an EBMT Annual Meeting will be voted upon by the Board in the January Board Meeting (2018). The meeting is awarded to an individual (Congress President-EBMT member) linked to a particular venue.

Venues are currently selected 4 years in advance.

2.2. Eligibility and evaluation criteria

Aim

Produce a fair and transparent process for selection of venues and local organisers for future annual meetings. The following factors will be taken into consideration in assessing each bid:

Eligibility criteria

- Destination must be a European city (tourist resorts not eligible)
- Suitability of congress venue for an EBMT meeting (see section “Requirements to organise a EBMT Annual Meeting” for more details)
- Availability of congress venue and hotels at the end of March/ 1st week of April (taking into consideration the Easter holiday period)
- Sufficient number of hotel rooms availability of 5*, 4*, 3* hotels within the city centre
- Bid supported by a Local Organising Committee made up of EBMT members only
- Venue evaluated by EBMT to be suitable for an EBMT meeting
- Bid document fully complete and received by submission deadline

Evaluation criteria

- Costs for EBMT (congress venue, exhibition space, technical, etc.). EBMT will work with the local organisers to ensure that the costs presented in the assessment are comparable
- Varied geographical coverage (to avoid repetition of countries and cities)
- Accessibility (directness of flights/geographical location)
- Experience of congress venue of managing meetings of a similar size
- Attractiveness of venue
- Hotel offer (cost and proximity to congress venue)
- Local organising committee (strength scientifically; avoid repetition of Congress Presidents to ensure fair opportunity for interested EBMT members)
- Tax implications of holding a meeting in a particular country
- Rules & regulations concerning participation of pharmaceutical companies
• Security factors
• Special efforts made by the city council or convention bureau to make the venue more attractive (free local transport, hosting of welcome reception, etc)

### 2.3. “Interest to Bid” confirmation document

“Interest to Bid” must include:

- Confirmation of Congress Presidency and Scientific Chair
- Venue details
- Confirmation of capacity of halls, meeting rooms and exhibition/poster area in line with the “Venue Bid Manual for EBMT 2021 Annual Meeting”
- Confirmation of availability of halls at end of March 2021 / beg. April 2021

### 2.4. “Complete Bid Document”

**Before preparing the “Complete Bid Document”**

Prior to preparing the “Complete Bid Document”, the Eligibility & Evaluation Criteria and EBMT Annual Meeting Requirements sections should be read carefully.

The main contact at the congress venue should then contact Bora Celikel at bora.celikel@ebmt.org to ensure a full understanding of the requirements and to discuss the proposed concept.

Only once EBMT has confirmed that the venue is feasible, should the “Complete Bid Document” be prepared. If necessary a site visit should be arranged to assess feasibility. The final bid document should include the following information and contents outline and must be submitted by the deadline set in the call for bids. An excel spreadsheet that must be completed with key bid data will also be provided by EBMT.

**Table of content of the “Complete Bid Document”**

1. **Introduction**
   
   Present a one page summary overview of the destination and congress venue, highlighting its suitability for hosting an EBMT annual meeting, including dates available at the end of March.

2. **Presentation of congress venue overview**
   
   Provide an overview of the venue and the concept proposed for EBMT, including the following:

   - Location within city
   - Layout
   - Capacity (halls, meeting rooms, etc. for parallel sessions)
   - Exhibition space
   - Facilities/services available (Please specify what is included in the offer, Indicate whether it is obligatory to contract technical & catering services supplied by the congress venue or whether outside providers can be contracted)

3. **Breakdown of costs**
   
   Produce a separate overview of the estimated costs involved, specifically including the following:

   - **Cost of congress venue** for the full duration of the meeting, including set-up and breakdown. Indicate whether the exhibition is included within this or charged separately. If charged separately please estimate costs.

   - **Cost of renting technical equipment available at the congress venue.** Please detail what equipment/service is provided and estimate costs of the additional technical equipment/services that would need to be contracted separately.

   - **Catering costs** (lunch bags or hot lunches, coffee breaks, on-site restaurants, etc.)
- **Costs of any other services provided by the congress** (hostesses, security, furniture rental, cleaning, communications, electricity and other commodities, etc.). Indicate whether these are included in the cost of the congress venue or whether they are mandatory and will be charged separately. If so, give an indication of average costs. Please indicate any services where the congress venue and/or other suppliers have exclusivity rights.

- **Special efforts made by the city or convention bureau** subventions, financial support or contributions to the meeting

- **Hotel costs**

Estimate prices for the different categories of hotels in March-April 2021. These should be based on negotiations with the main hotel chains in the city (see hotel requirements).

*Please also include the information if there are any services exclusive to Proposed Congress Venue*

4. **Hotel capacity within the city**

   Present an overview of the following:
   - number of hotels in the different categories (5*, 4*, 3*)
   - number of rooms
   - number of rooms within walking distance
   - walking distance from congress venue / travel via public transport
   - approximate room rates per category (single/double) & overview of congress rates, if available
   - provide a list of hotels and the recommendation for the Headquarters hotel (for speakers, organisers, Board, etc.)

5. **Travel to and within the city**

   Present an overview of the accessibility of the city from major European cities - flights, trains, etc. (including number /destination of direct flight connections; number of scheduled flights per day).

   Present an overview of public transport within the city and indicate accessibility of the congress venue. If there are any travel passes, special arrangements for keeping travel costs for delegates to a minimum please indicate.

6. **Track record**

   Include a list of similar international meetings organised in the congress centre and city, indicating meeting dates, size, organiser, etc.

7. **Local Organising Committee and local support**

   Indicate names of key participants in the Local Organising Committee (Congress President, Scientific Chair and Scientific Secretary).

   Include any letters of support for hosting the meeting from the Local Mayor, Convention Bureau, airlines, hotel chains, etc.

8. **Social Programme**

   Present samples of ideas for the social programme for EBMT 2021:

   - **Welcome reception:**
     - usually hosted at congress venue
     - Standing buffet & Local entertainment
     - 1,200 delegates

   - **Networking Event:**
     - usually hosted at a venue suggested by LOC
     - for 700 – 900 delegates
     - Cocktail Style Dinner
3. Requirements to organise EBMT Annual Meeting

3.1. Essential requirements to organise EBMT 2021

A) Organisation: the Local Organising Committee

The Organisation as stated reflects the reality of the EBMT as it stands now in June 2017 and does not reflect any possible or eventual changes of the society we are not aware of currently. This is therefore subject to changes (BOARD Decisions). The CP will be informed accordingly of the changes and their impacts.

The Local Organising Committee (LOC), will include a National Scientific Committee (NSC) and the Congress President (CP), in conjunction with the EBMT Scientific Council (SC) and Executive Committee (EXCOM) and are jointly responsible for organising the scientific programme and speakers’ list of the meeting.

As a guideline, the recommended structure of the LOC (all EBMT members) is:
- the Congress President
- Scientific Chair
- and/or Scientific Secretary,
- plus local physician(s), nurse(s), data manager(s) and secretary.

Congress President Job Description (For details please see additional supportive document):
- Coordinates the LOC team
- Creates the first draft of the scientific programme
- Responsible of local and national sponsors
- Suggests the social programme
- Represents EBMT at a national level

One local nurse is invited to join the NG Board/Scientific Comm. for the year prior to the meeting. It is desirable that the nurse has a working level of English and this should be taken into consideration as far as possible by the CP in selecting the nursing rep(s). The maximum number of participants on the NSC is 20, unless otherwise agreed by the Board.

The scientific programme is suggested by the LOC and is approved by the EBMT Board of Association and Scientific Council.

The social programme is suggested by the LOC and is approved by the EBMT Executive Committee. The budget is overseen by the Executive Director, before being presented and agreed by the Board.

As members of the Scientific Council, WP Chairs work along with the LOC in the development and execution of the scientific programme. The scientific programmes of the various groups* are developed in parallel and in close consultation with the CP and the EBMT Executive Committee. The CP and SC must work in coordination to successfully integrate the programmes. The CP shall attend EBMT Board meetings in the year prior to the annual meeting to give progress reports and discuss the programme.

(*The Nurses Group (NG), the Data Management Group (DMG), Quality Management Group (elaborated by the JACIE office), Cell Processing Group (part of the Physicians’ scientific programme), Patient, Family and Donor Day (elaborated by the LOC), Pharmacists Group (elaborated by the LOC), Psychologists Group (elaborated by the LOC)).

The EBMT Executive Office (Executive Director, Education & Events Manager, Education & Events Operations Coordinator and Education & Membership Coordinator) will provide organisational support to the CP, LOC, NG, DMG and EBMT SC and EXCOM, and manage the relationship with the core PCO and sponsoring companies.

EBMT Executive Office will assist in the overall congress management and all administrative aspects before, during and after the event.

This includes the following key functions: evaluation of congress venues; budget & timing; hotel management; contract with congress venues; abstract handling & coordination of scientific programme; registration of delegates; coordination of corporate sponsorship, social programme; hosting congress websites, meeting statistics, etc.
Timing for the scientific programme

The LOC is responsible of creating the first draft of the scientific programme. As a guideline, we provide the key dates in the programme creation:

- **May 2020**: Kick off meeting with the Scientific Chair and EBMT President. The LOC should provide a first draft for the programme.
- **June 2020**: The programme is presented to the Scientific Council and Board of Association during the EBMT Board meeting.
- **July 2020**: During the sponsors meeting we schedule a separate meeting for the Programme allocation: give days and times to the sessions. Chairs are also chosen.
- **July-August 2020**: Speaker invitations are sent
- **September 2020**: The scientific programme for the EBMT Annual Meeting 2021 is published.

B) Allocation of profit & risk

The Allocation of profit and risk as stated reflects the reality of the EBMT as it stands now in June 2017 and does not reflect any possible or eventual changes of the society we are not aware of currently. This is therefore subject to changes (BOARD Decisions). The CP will be informed accordingly of the changes and their impacts.

EBMT:
EBMT bears the ultimate risk of the meeting. Maximisation of profit is a highly important strategic goal, but this must be balanced by other key objectives.

The initial budget is prepared by EBMT based on past experiences and on the evolution of the content of each congress to incorporate new activities. It is first validated by the Executive Director, before being presented to CP. It is revised as necessary throughout the year in consultation with the CP and the Executive Director. Any significant increase in a budget line (e.g. social programme, catering, etc.) has to be presented and agreed by the Executive Director and this must be justified to the EBMT Executive Committee for prior approval sought.

Clinical Fellowship Opportunities via LOC Budget – EXCOM agreed that the Congress President’s role has developed into a less hands on experience and that the title has become more of an honorary title. The scientific programme and now organization of the congress will lay in the hands of the EBMT and its board and scientific council.

ACTIONS:
Transform LOC budget and use towards funding 12 month 2 fellowship opportunities for younger LOC colleagues in haematology to obtain additional experience in alternative European centres and health care settings.
3.2. Venue requirements

Expected participants: 5,000 – 5,500 participants

Meeting month:
End of March (3rd or 4th wk) / 1st wk April – taking into consideration Easter holidays (it should not be scheduled during the Easter weeks, i.e. weeks containing Good Friday & Easter Monday)

Build-up registration area:
Wednesday afternoon – Saturday (3½ days)
(Saturday afternoon: Group Registration)

Pre-Meeting (may be held outside of the venue)
(Might be held outside of the venue)
(Patient & Family day)
Saturday

Pre-Meeting (may be held outside of the venue)
(Might be held outside of the venue)
(Patient & Family day)
Saturday

1 Lecture room = 400 – 500 seats;
4 smaller rooms = 50 – 150 seats (to be used simultaneously)

Days of Meeting:
Sunday – Wednesday (4 days)

Lecture Room requirements for 4 days:
1 Auditorium = 1’800 - 2’000 seats*
1 Lecture hall = 800 - 1’000 seats*
2 Lecture halls = 500 – 700 seats*
5 Lecture halls = 200 – 500 seats*
2 Lecture halls = 100 – 200 seats*
2 Lecture halls = 50 - 100 seats*
1 Lecture hall = 80 seats*
10 smaller rooms = 10 – 40 seats

*Lecturer's Service Centre, Registration area, Coffee break area and Lunch area

Poster exhibition:
It will take place within the Exhibition Area.

Industrial exhibition:
Exhibition surface: 4’000 – 5’000m² gross (incl. space for catering)*
Exhibition opening: Sunday-Tuesday (3 days)
Build-up exhibition: 3 days before opening of exhibition (Thu – Sat)
Dismantling of exhibition: Tuesday Evening or Wednesday all day

*Catering services: Preferably the venue will work with different catering companies which will present their offer to the congress.

Additional room/space: Speaker Service Centre, Registration area, Coffee break area and Lunch area

Hospitality Suites: From 200 m² - 30 m² or open space of 700 m² - 1000 m² with possibility to build rooms

*Please see EBMT 2017 Exhibition Floor Plan
3.3. Hotel requirements

The congress offers corporate patrons, EBMT members and delegates a wide-selection of hotel accommodation to meet the various needs. Delegates are also free to organise their own accommodation and it is estimated that the congress will handle approx 50% of delegate hotel bookings. Around 4,000 delegates will need hotel accommodation. In order to meet this need, the host venue must have a total capacity of at least 8,000 rooms in the various categories located within the city itself.

<table>
<thead>
<tr>
<th>Level</th>
<th>Rooms booked through EBMT (group &amp; individual bookings)</th>

<td>3'900</td>
<td>17'650</td>
</tr>
</tbody>
</table>

Types of bookings: Approx. 15%-20% individuals, 80%-85% group bookings

EBMT evaluates the hotel situation. The information will be included in the evaluation report for selection of the venue.

Preferably there will be at least 700 rooms within walking distance to the congress centre.
4. Introduction to the scientific programme

4.1. General overview of the annual meeting

Introduction

The EBMT organises an annual meeting for scientific exchange between physicians, nurses and data managers. The EBMT 2021 meeting will be:

47th Meeting of the Physicians,
37th Meeting of the EBMT Nurses Group,
21st Meeting of the EBMT Data Management Group,
12th EBMT Quality management meeting,
9th Meeting of Cell-Processing Group,
6th Pharmacists Day and
5th Psychologists Day
15th EBMT Patient, Family and Donor Day (will be organised on Saturday, prior to the commencement of the meeting)

The meetings of physicians, nurses, data managers, quality managers and lab technicians are held in parallel and integrated as far as possible. There should be close physical proximity between the lecture rooms for all meetings and delegates are encouraged to participate in all sessions of interest to them. The main NG session will generally be translated into the local language, subject to advice of the local nursing representatives / CP on whether this would be beneficial and attract more nursing delegates. The translation costs will be covered by the Congress budget.

Aims & objectives

The EBMT Annual Meeting is the society’s most important activity, both in terms of scientific exchange & networking and as a source of revenue to fund Research, Educational and Accreditation Activities. Maximisation of profit is therefore an important strategic goal, but this must be balanced by other key objectives:

- Delivering meetings of the highest scientific level, positively evaluated to meet delegate expectations
- Ensuring the meeting is as economical as possible for EBMT members & delegates
- Fostering a long-term collaborative relationship with Industry sponsors
- Promoting transparency and accountability to members and delegates

Description

- **Frequency**: Annual
- **Time of year**: End of March/1st week of April (it should not be scheduled during the Easter weeks, i.e. weeks containing Good Friday & Easter Monday) taking into consideration Easter holidays, therefore anytime from 15 March (earliest start date) to 15 April (latest end date).
- **Venue**: European City with capacity to host meeting
- **Official language**: English
- **Selection of venue**: By EBMT Board (based on evaluation of bids satisfying pre-defined criteria)
- **Duration**: Sunday to Wednesday (4 full days)
- **Patient & Family Day**: Saturday
- **Board & WP meetings**: Saturday & Monday to Wednesday
- **Corporate symposia**: Sunday
- **Nurses Pre-Meeting**: Sunday
- **Exhibition build-up**: Wednesday afternoon to Saturday (3 ½ days)
- **Exhibition dismantling**: Tuesday evening or Wednesday whole day
- **Group registration**: Saturday afternoon
4.2. Programme structure & content

A fairly fixed programme structure is to be maintained so that delegates can benefit from a format they recognise:

- **Physicians sessions:**
  - Corporate Symposia
  - Opening Session
  - Presidential Symposium
  - Plenary sessions
  - Educational sessions
  - Workshops sessions
  - Working Party sessions
  - Working Party Business meetings
  - Oral sessions
  - Poster sessions

- **Joint sessions with related organisations**
  - Joint session Nurses/Physicians
  - Meet-the-Expert Sessions
  - General Assembly Meeting

- **Nursing sessions**
  - Data management sessions (incl. Statisticians’ courses)
  - Quality management Sessions
  - Cell Processing programme
  - Patient & Family Day
  - Pharmacist Day
  - Psychologists Day

The structure of the meeting follows a largely fixed format established by the EBMT Board, but there is a degree of flexibility to allow the LOC to put its mark on the meeting.

**A) Physicians sessions**

**Corporate Symposia**
Corporate symposia are organised on the “Corporate Sunday”. The only exceptions are the Platinum Sponsor symposia and Nursing Symposia, which can be negotiated with the Board and NG Board respectively. See section on Corporate Symposia p. 12.

**Opening Session**
Welcome addresses are given by the CP, Local Dignitary (optional), EBMT President, NG President followed by the EBMT Lecture and Van Bekkum Award presentation.

In the past, the EBMT lecture was given by an invited speaker in recognition of their achievements in the field of stem cell transplantation. The traditional lecture may be replaced by a talk of more general interest e.g. art, music, culture, etc. and this is at the discretion of the LOC. The CP will present a proposal to the Board for sign-off.

The Van Bekkum prize is chosen by the Board during the January Meeting for the best abstract submitted to the meeting.

**Presidential Symposium**
The six top abstracts (after Van Bekkum) will be presented during the Presidential Symposium, which will be organised as a stand alone session on Monday morning. The Basic Science Award will be included as one of the 6 presentations.

**Plenary Sessions (currently 3)**
2 – 3 plenary sessions are held, depending on the number of joint sessions. These sessions should be aimed at transmitting the state of the art and major messages of the meeting.

**Educational & Workshop Sessions (currently 23 combined, 13 ED – 10 WS)**
A maximum of 5 – 6 educational and workshop sessions should be run in parallel each day. There is space for local initiatives such as the Controversy sessions, lunch sessions etc.

**Cell Therapy Day (currently 4)**
A maximum of 5 – 6 educational and workshop sessions should be run in parallel each day. There is space for local initiatives such as the Controversy sessions, lunch sessions etc.

**Pediatrics Day (currently 5)**
A maximum of 5 – 6 educational and workshop sessions should be run in parallel each day. There is space for local initiatives such as the Controversy sessions, lunch sessions etc.
Meet-the-Expert Sessions (currently 18)
Meet-the-Expert sessions should be held on Monday and Tuesday. The number of participants should not exceed 25-30. These sessions should have a special charge, with allocation on a first come first served basis.

How-Do-I Sessions (currently 5)
How-Do-I sessions should be held on Saturday early in the morning. The number of participants should not exceed 25-30. These sessions will be free of charge.

Working Party sessions (currently 10)
WP sessions are held (with 3 WP sessions in parallel on Mon/Tue mornings and afternoons).

WP chairs are responsible for the programmes of the WP session. These sessions are regarded as a forum for:

- presenting the results of phase I/II studies run by the WPs
- discussion of proposals for new prospective and retrospective studies
- an opportunity for interaction with members and delegates to receive input/feedback on projects

The programme of the WP sessions should be sent to EBMT Executive Office in June/July. A special category of Working Party abstracts has been created for the presentation of the results of WP studies during the WP sessions. These abstracts will not be submitted for general review, but will be peer-reviewed within the WP and approved by the WP Chair. These abstracts will be included in the abstract book under Working Party abstracts.

Lunch Controversy Sessions (currently 4)
This is an attractive format for debating controversial topics. Under the supervision and guidance of a chair, opposing arguments are put forward by two speakers representing different view points.

Working Party Business meetings (currently 10)
These meetings are organised by WP Chairs outside of the main scientific programme, generally on Sunday. The costs or the room, basic technical set-up and catering will be paid for from the Congress budget. These meetings are generally attended by a core group of active WP members, but should be open to all members.

Joint Sessions with related organisations (currently 3)
Currently there are 3 joint-sessions with EBMT/WMDA, EBMT/ISCT, EBMT Global Collaborations. Joint sessions are under the responsibility of the Board, but must be co-ordinated with the LOC. The number of joint sessions, timeframes for development and the nominated Board members responsible to attend these sessions should be agreed at the March Board meeting. Committee chairs should send their proposals to the LOC in advance of the June Board meeting.

Joint Sessions Nurses/Physicians (currently 1)
There is currently one joint session developed in collaboration between the CP and NG President. In the future, additional joint sessions may be developed between the physicians, NG and DMG.

Oral sessions (currently 19)
These sessions are based on the topic list defined by the LOC and the Board. The final number of sessions and content shall be determined based on the quality of abstracts submitted. The number of available rooms may also impact on the number of parallel sessions.

Poster presentations
The Poster sessions are regarded as a key part of the meeting and are to be assigned sufficient prominence within the programme. The poster sessions should take place on Monday and Tuesday evenings from 17.30 – 18.30. The posters should be located in appropriate rooms with ample space for presentations and discussion. No other meeting should be organised in parallel. Posters will be on display throughout the day, but presenting authors will be available during these sessions to discuss their work and answer any questions.

Special sessions
A number of special sessions organised by the EBMT e.g. Social Media, Pharma / Academia Partnership, How to get Published, Best Clinical Trials of the Year… and EBMT Committees e.g. JACIE, Nuclear Accidents, Clinical Trials are built into the main scientific programme each year. Committee chairs should send their proposals to the LOC in advance of the June Board meeting. It will be at the discretion of the LOC and Board to include a special session within the programme, depending on the number of proposed sessions and level of interest.

General Assembly Meeting
To be held on Tuesday afternoon. The timing of the GAM might be reviewed by the Board.
**B) Nursing sessions**

The Nurses programme includes Pre Meeting - NG Educational Day, Opening and Closing Sessions, Educational & Workshop sessions, Oral & Poster sessions, National Group Meetings, Nurses Annual General Meeting, Awards.

The NG Scientific Committee will review the programme structure and content before June of the given year and present any proposals to change the programme content or structure to the Board.

**C) Date Management sessions**

The DMG programme consists of Training Sessions (Data Entry for new users; Data Retrieval; Registry Open Learning Centre); a series of Educational Sessions, including disease / graft type focused sessions, Discussion Forum, Poster session, Data Managers Reception (Sponsored).

**Statistical Course**

The Statistical Course is organised within the overall programme. It will be highlighted in the Physicians and NG programme, but due to the limited space in the programme it will not occupy a stand-alone spot within these programmes.

**D) Quality Management sessions**

The JACIE Quality Management Committee will coordinate this part of the congress programme.

The meeting will take place on Tuesday with the sessions distributed in such a way as to maximise attendance.

**E) Patient & Family & Donor Day**

The 15th Patient, Family and Donor Day will be organised on the Saturday before the start of the congress. The Patient, Family and Donor Day has become an integral part of the yearly EBMT congress. One of the main goals is the improvement of the communication between EBMT professionals and patients. This is increasingly relevant due to the rapid evolution of technology associated to transplantation and its relationship with the growing field of cellular therapy.

The introduction of new drugs and graft manipulation techniques, combined with changes in the clinical pattern of transplantation, particularly in the outpatient setting, has led to remarkable developments in the field over the last few years. The programme is aimed at exploring both scientific trends and the special relationship which is often created between the clinical BMT personnel and patients and their families.

This day will consist of presentations led by physicians, nurses, patients, donors and family members.

**F) Satellite symposia**

The corporate satellite symposia programme is hosted on Sunday from 09.00h - 19.00h

There are currently 5 time slots and a max. of 5 symposia per slot *. Corporate patrons receive priority in the allocation of symposia slots and rooms, according to their level of EBMT sponsorship. Other benefits include free registrations and support with local costs of speakers. The Platinum Sponsor symposia and Nursing symposia may be held within the main programme, subject to agreement with the Board and NG Board respectively.

* The EBMT Board reserves the right to increase the number of symposia sessions to be held on an annual basis. Companies will be informed of the number of permitted symposia at the Sponsor Meeting held in June, prior to contracting a symposium.
The Social Programme as stated reflects the reality of the EBMT as it stands now in June 2016 and does not reflect any possible or eventual changes of the society we are not aware of currently. This is therefore subject to changes (BOARD Decisions). The CP will be informed accordingly of the changes and their impacts.

Sunday evening: WELCOME RECEPTION (Free admission)
The Welcome Reception takes place after the Opening Session on Sunday, where a series of special lectures and possibly a local performance (e.g. music, theatre, dance, art, etc.) are presented. The Welcome Reception, incl. a standing buffet dinner and entertainment, will start at approx. 20.00 h – end at 22.00 h. The Welcome Reception is usually hosted at the congress venue (approx. 1.200 attendees)

Tuesday evening: NETWORKING EVENING The costs of this event are higher than ticket price and are subsidised by the EBMT budget (prices subject to changes on Board decision). This event includes cocktail style dinner, music and dancing. The Networking Evening is usually hosted at a venue suggested by the CP to EBMT Executive Office & Board.(approx. 700-900 attendees)
