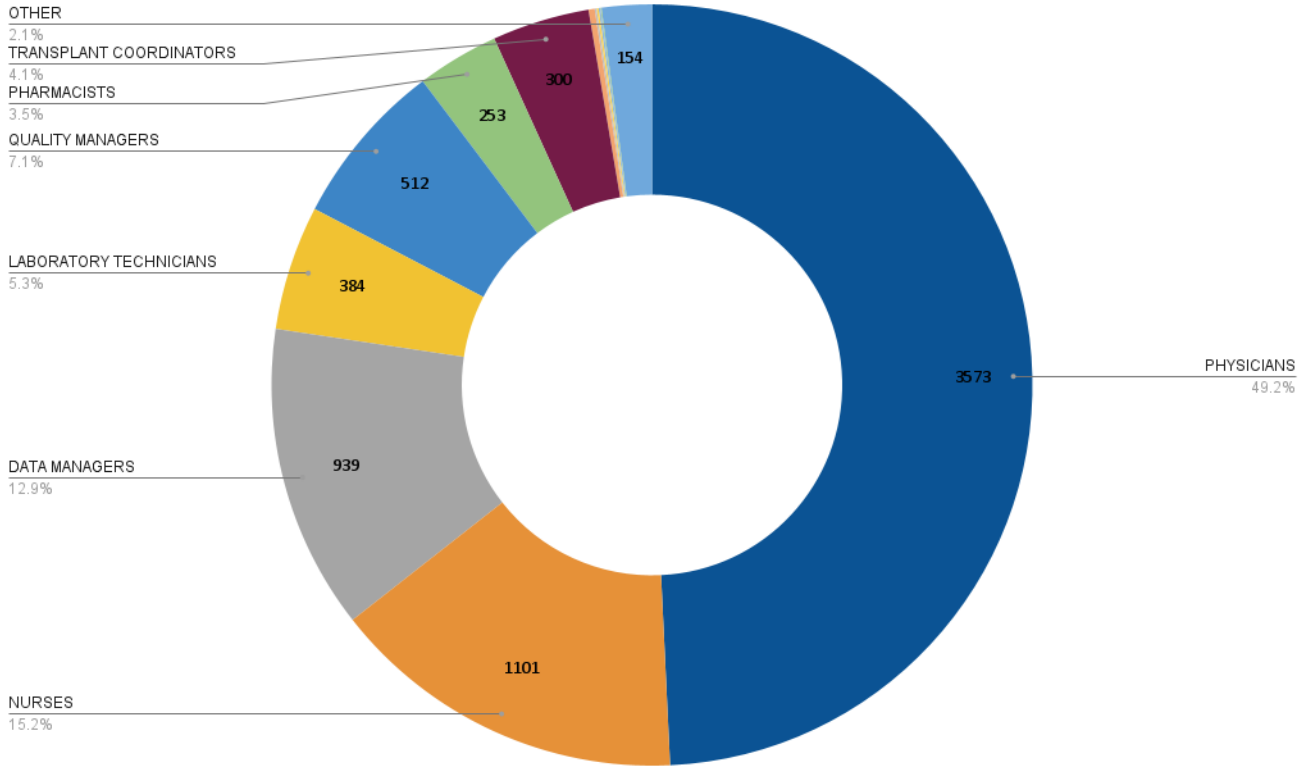
EBMT SECRETARY
Italy

> "It is with great pleasure that we present the EBMT Annual Membership Report for 2024. This year has been marked by collaboration and continued dedication from our growing community. The collective efforts of our members have been the backbone of EBMT’s success since 1974, advancing our mission and strengthening our impact within the field. Thank you for being an essential part of the EBMT community."

Membership breakdown 2024

The members belong to a unique collaborative network of peers involved in HCT and cellular therapy research. They all have a common goal, and that is to enhance the quality of life of patients with life-threatening blood cancers and diseases.

Our members are listed according to their role within their team. They are comprised of the following distribution of roles.



Physicians

3573

Become a Member

Centres or independent persons that are active in the field of transplantation & cellular therapy related to any kind of haematopoietic stem cell, or any other organisation involved in the care of donors and recipients of HSCT, can become a member of the EBMT. Members' rights, obligations, and fees are dependent upon the category of membership to which they pertain. Visit our website to get more details about each of the categories.
