Major achievements

In 2024 the new Lymphoma Working Party Board introduced seven subcommittees with two co-leaders for each subcommittee. Four virtual meetings once every 3 months took place for each subcommittee in 2025.

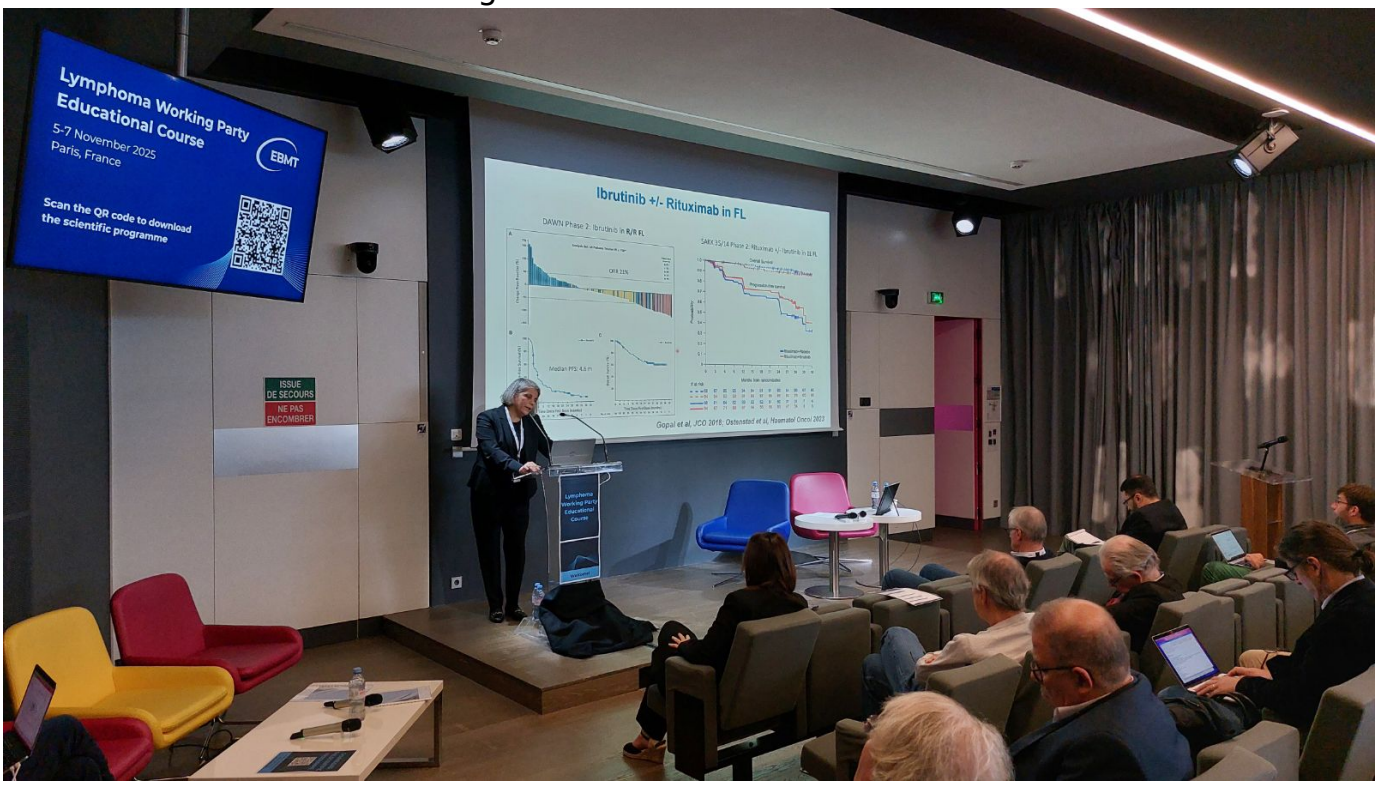

Hodgkin lymphoma: Anna Sureda, Alina Tanase
T cell lymphoma: Norbert Schmitz, Ghandi Damaj
Indolent lymphoma: Silvia Montoto, Luca Castagna
Mantle cell lymphoma: Olivier Hermine, Peter Dreger
Large B cell lymphoma: Bertram Glass, Catherine Thieblemont
Waldenstrom Macroglobulinemia: Charalampia Kyriakou, Nour Moukalled
Immunotherapy and CAR T cells: Anna Ossami-Saidy, Remy Dulery

EBMT staff members:

Biostatisticians: Maud Ngoya, Mathilde Fekom
Study Coordinator: Irma Khvedelidze
Data Manager: Diane Bacabac

Following each round with all subcommittees, a subsequent virtual meeting was conducted between the Chair, Secretary and the EBMT Paris Office support team to rationalise and streamline all subcommittee projects.

Two face-to-face business meetings took place, one during the Annual Meeting of the EBMT and the other during the annual LWP Educational Course in Paris.
