Welcome Letter

The European Society for Blood and Marrow Transplantation is honoured to invite you to support the 45th EBMT Annual Meeting that will take place in Frankfurt, Germany, March 24–27, 2019.

In alignment with our patient care mission, revenue from the Annual Meeting is being appropriated to support progressive research to help develop more life-saving and quality-of-life solutions in the fight against blood cancers and diseases.

More than 5,000 delegates attend the EBMT Annual Meeting. Our top-notch scientific programme for physicians, nurses, data and quality managers, pharmacists, and other medical professionals continues to evolve and develop, with additional new topics added every year.

Germany has vast activity in the field of transplantation with approximately 100 transplant centres and several important donor registries. Frankfurt, our 2019 host city, is a beautiful and easily accessible location with a major international airport only 15 minutes from the meeting venue. Frankfurt is also a cultural centre with a unique collection of over a dozen world-class museums devoted to different works of art, from classical paintings to modern media.

As in previous years, we offer our supporters a platform to present their products, boost awareness, network and build relationships. We will partner with you to design a tailor-made package in accordance to your strategy and budget.

Be part of our growing community and join us for the largest event in Europe dedicated to bone marrow transplantation. We look forward to welcoming you to Frankfurt!

We accept the terms and conditions listed in this prospectus and agree to abide by the guidelines for industry participation in the EBMT 2019 Annual Meeting. I am authorised to sign this form on behalf of the applicant/company.
General Terms and Conditions

Deposit: Booking forms need to be received by 30 November, 2018 and invoiced for a 50% deposit to be paid within 30 days of receipt. The remaining balance is to be settled no later than 30 January, 2019. Non-payment by this stated deadline will lead to the cancellation of your booking, without reimbursement of the deposit paid. Booking forms received after 30 November, 2018 will be invoiced for the full amount, to be paid within 30 days of receipt.

Cancellation policy: Cancellation and changes to your original booking must be made in writing. For cancellations before 30 September, 2018 30% of the total cost of each item will be retained by the EBMT. For cancellations made between 30 September, 2018 and 31 December, 2018 75% of the total cost of each item will be retained by the EBMT. For cancellations after 31 December, 2018 100% of the total cost of each item will be retained by the EBMT.

Obligations and rights of the exhibitor/sponsor: Completion of the booking form implies full acceptance of the terms and conditions specified in this agreement. Any infringement of these terms may lead to immediate withdrawal of the right to participate in the EBMT Annual Meeting without compensation or refund of sums already paid. No advertising on behalf of firms not exhibiting is permitted in any form whatsoever. Transfer or sub-letting of all or part of the allocated spaces is prohibited.

Obligation and rights of the organiser: The organiser undertakes to allocate exhibition space on the basis of preference expressed by applicants. Applications will be considered in order of receipt of application forms accompanied by payment. The organiser reserves the right, in case of absolute necessity, to modify the positioning of stands, with no obligation to provide compensation to exhibitors. The organiser reserves the right to offer to a different firm any stand or space that has not been occupied by the eve of the opening of the exhibition, with no obligation to provide compensation to the defaulting exhibitor.

Children/guests: No children or guests are allowed at the meeting centre.

Liability: The organiser shall not be liable to injury or damage howsoever caused to goods and/or persons at the Annual Meeting venue. Equipment and all related display materials installed by exhibitors/sponsors are not insured by the organiser, and the organiser will under no circumstances be liable for any loss, damage or destruction caused to equipment, goods or property belonging to exhibitors/sponsors. The exhibitor/sponsor agrees to be responsible for his/her property and persons and for the property and persons of his/her employees and agents through full and comprehensive insurance, and shall hold harmless the organiser for any and all damage claims arising from theft and/or those perils.

Smoking: The EBMT Annual Meeting is a non-smoking event. Smoking is prohibited throughout the venue, including the exhibition hall.

Force majeure: If the event is abandoned, cancelled or suspended in whole or in part by reason of war, fire, national emergency, labour dispute, strike, lock-out, civil disturbance, inevitable accident, the non-availability of the event premises or any other cause not within the control of the organisers, the organisers may at their entire discretion repay the delegate fee or service charge paid by the delegate or exhibitor, or part thereof, but shall be under no obligation to repay the whole or part of such delegate fee or service charge, and shall be under no liability to the delegate or exhibitors/sponsors in respect of any actions, claims, losses (including consequential losses, costs or expenses whatsoever) which may be brought against or suffered or incurred by the delegate or exhibitor/sponsors, as the result of the happening of any such event.

Governing law and jurisdiction: This agreement, including the jurisdiction clause, shall be governed by, interpreted and construed in accordance with the substantive laws of The Netherlands. Exclusive jurisdiction for all disputes arising out of or in connection with this agreement related to the EBMT shall be with the ordinary courts of The Netherlands.

Hosting country laws/pharma code: The EBMT would like to have a conflict-free advertising environment and reserves the right to cancel advertising efforts. Sponsors and exhibitors are advised to consider the codes of conduct for pharmaceutical and medical companies. Furthermore, it is important to adhere to the country-specific compliance regulations on the application of medical devices, exemplified by the EFPIA HCP Code, EACCME/CME guidelines, code of medical ethics of the Local State Chambers of Physicians (national) and provisions of national German law.
