List of JACIE accredited centres in order of  
country > city.

An X indicates activity for which the centre has received accreditation.  
Reaccreditation + *NUMBER* indicates the number of cycles the centres has completed  
following initial accreditation.

List of JACIE accredited centres in order of  
country > city.

An X indicates activity for which the centre has received accreditation.  
Reaccreditation + *NUMBER* indicates the number of cycles the centres has completed  
following initial accreditation.

| Country | City  | Facility Name | Institutions(s) & Director                                                                                     | Accreditation start-date | Accreditation end-date | Type, ID, CIC (where available)             | Accreditation scope & ed. standards                                                                                                                                                                                                                                                                                                                        |

List of JACIE accredited centres in order of  
country > city.

An X indicates activity for which the centre has received accreditation.  
Reaccreditation + *NUMBER* indicates the number of cycles the centres has completed  
following initial accreditation.

| Country             | City        | Facility Name                                             | Institutions(s) & Director                                                                | Accreditation start-date | Accreditation end-date | Type, ID, CIC (where available)         | Accreditation scope & ed. standards                                                                                                                                                                                                                                                                                                                               |

List of JACIE accredited centres in order of  
country > city.

An X indicates activity for which the centre has received accreditation.  
Reaccreditation + *NUMBER* indicates the number of cycles the centres has completed  
following initial accreditation.

| Country             | City                | Facility Name                                                                                                                               | Institutions(s) & Director                                                                                    | Accreditation start-date | Accreditation end-date | Type, ID, CIC (where available)         | Accreditation scope & ed. standards                                                                                                                                                                                                                                                                                                                               |

List of JACIE accredited centres in order of  
country > city.

An X indicates activity for which the centre has received accreditation.  
Reaccreditation + *NUMBER* indicates the number of cycles the centres has completed  
following initial accreditation.
