List of centres *in the accreditation process* in order of country > city. Note – accredited centres are listed in a separate document and will not appear here. This information is updated approximately monthly.

Inclusion on this list does not suggest that a centre is or has been accredited or otherwise approved by JACIE.

In case of query, please write to jacie@ebmt.org.

An X indicates activities for which the centre has requested accreditation.

Initial and reaccreditation applications appear here.

Reaccreditation + *NUMBER* indicates the number of accreditation cycles following initial accreditation.

Note. Due to the disruption caused by the COVID19 pandemic, centres may take longer than expected to complete the accreditation process.
