## E-learning

[VIEW](#) [EDIT](#) [DELETE](#) [REVISIONS](#) [GRANTS](#)

The e-learning platform is designed to reach all EBMT members interested in their continuing education. Together with the collaboration of the EBMT Working Parties, the topics of interest have been established and developed in order to realize the possibility of producing online courses.

The main advantages offered by online learning are the flexibility for each student to work when and where they want, and the possibility of connecting with a wide-reaching network of colleagues, peers and experts in the field.

When selecting the resources and format for each course, not only has an expert committee considered and developed the topic in question, but a pedagogical strategy has been implemented.

The following are the very first resources that will be available in the platform for all EBMT members:

- **CAR-T cells e-course:** a series of video-conferences touching on different aspects of CAR-T cell treatment. Evaluation at the end of each module.
- **Webinars:** live online lectures about various topics of interest with questions from the participants at the end of the webinar.
- **Nurses e-course:** based on The European Blood and Marrow Transplantation Textbook for Nurses.
- **Forum:** a place to discuss, ask and network.

Additionally, learners will earn a certificate of achievement upon completion of the e-courses that include an evaluation system.

The e-learning platform is only available for EBMT members.

- Now, you are on the e-learning platform. The section “My Courses” will gather all the courses in which you are enrolled.

The screenshot displays the EBMT e-learning platform interface. At the top, there is a navigation bar with the EBMT logo and a menu containing 'Help', 'My Brightspace', 'Discover', and 'Catalogue'. Below the navigation bar, the page features a decorative hexagonal pattern and the text 'European Society for Blood and Marrow Transplantation'. The main content area is divided into several sections: 'Announcements' with a welcome message and a link to the e-learning environment; 'Calendar' showing the current date (Monday, 26 October 2020) and a section for 'Upcoming events' which is currently empty; and 'My Courses', which is highlighted with a red box and contains a course titled 'Curso de enfermería en Trasplantes Hematopoyéticos'. The footer includes copyright information for the European Society for Blood and Marrow Transplantation and a logo for DKMS (Delete Blood Cancer), which is noted as kindly supported by the platform.

- Now, you are on the e-learning platform. The section “My Courses” will gather all the courses in which you are enrolled.

The screenshot displays the EBMT e-learning platform interface. At the top, there is a navigation bar with the EBMT logo and several utility icons (grid, chat, bell, EE e-learning e-learning, settings). Below the navigation bar, the page title reads "European Society for Blood and Marrow Transplantation". The main content area is divided into several sections:

- Announcements:** A section titled "Hi e-learning. Welcome to EBMT e-learning Environment" with a sub-header "Environment". It includes a welcome message and a link to "Show All Announcements".
- Calendar:** A section showing the current date as "Monday, 26 October 2020" and a dropdown for "Upcoming events". It states "There are no events to display."
- My Courses:** A section titled "My Courses" containing a course card for "Curso de enfermería en Trasplantes Hematopoyéticos". This section is highlighted with a red circle. Below the course card is a link "View All Courses (1)".

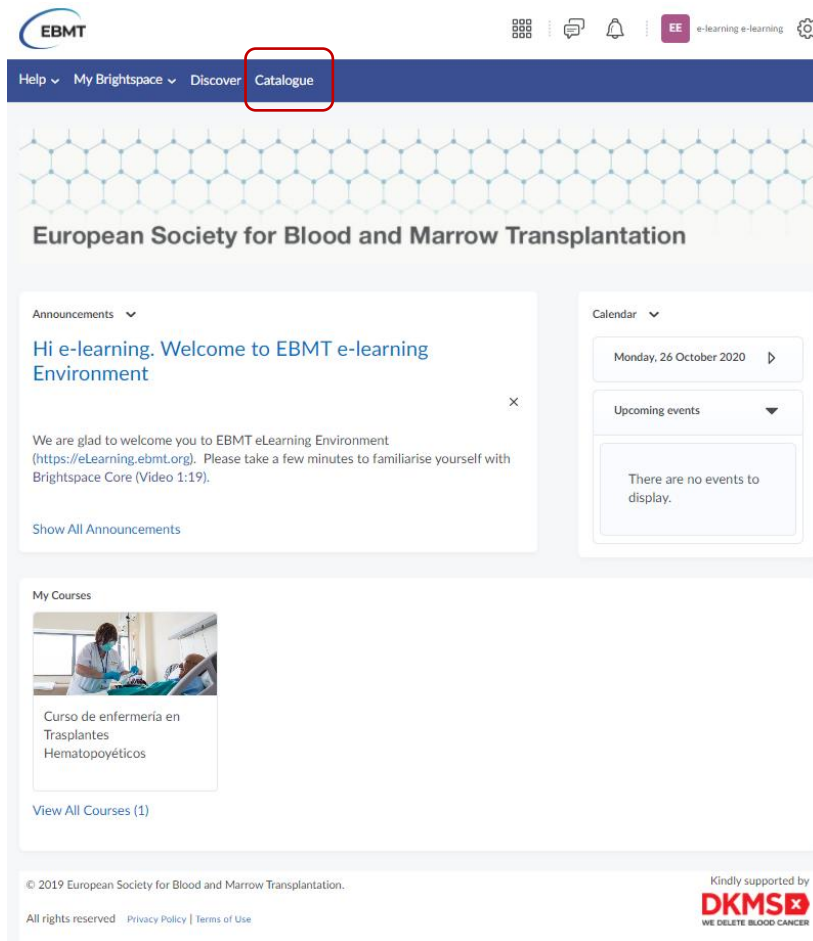

At the bottom of the page, there is a footer with the copyright notice "© 2019 European Society for Blood and Marrow Transplantation.", a link to "All rights reserved Privacy Policy Terms of Use", and a logo for "DKMSx WE DELETE BLOOD CANCER" with the text "Kindly supported by".

# How to enroll in a course?

To enroll in a new course, we recommend that you always do it from the e-learning platform:

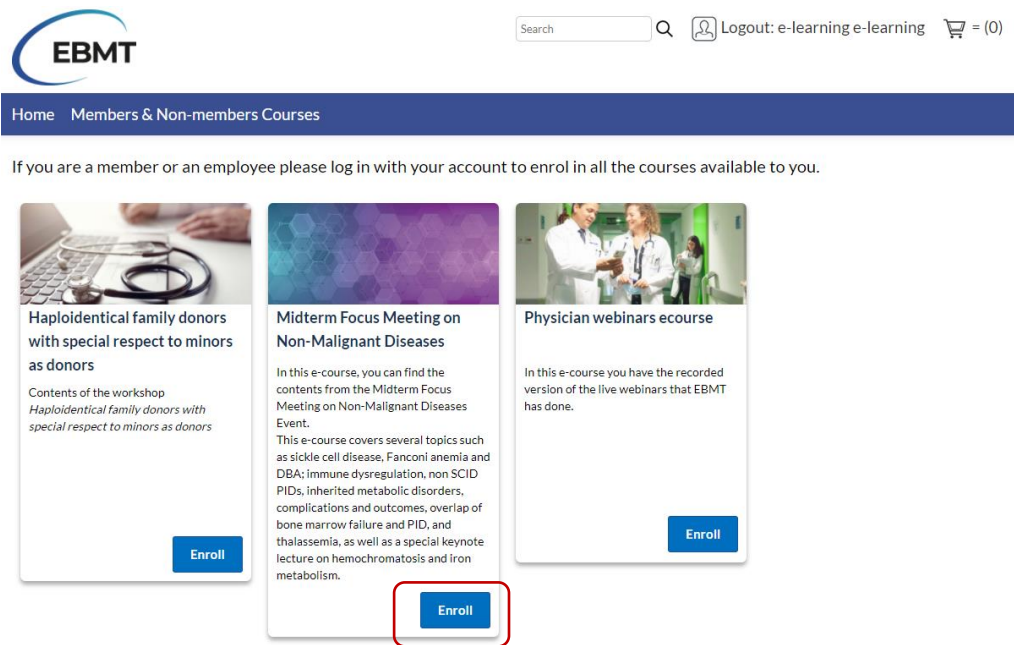

1. Click “Catalogue” in the blue Navigation bar at the top of the page.

The screenshot displays the EBMT e-learning platform interface. At the top, the EBMT logo is on the left, and navigation icons (grid, chat, bell, EE) are on the right. A dark blue navigation bar contains the following links: Help, My Brightspace, Discover, and Catalogue. The 'Catalogue' link is highlighted with a red rectangular box. Below the navigation bar is a decorative hexagonal pattern. The main content area is titled 'European Society for Blood and Marrow Transplantation'. It features two side-by-side panels: 'Announcements' and 'Calendar'. The 'Announcements' panel shows a welcome message: 'Hi e-learning. Welcome to EBMT e-learning Environment'. Below this, it states: 'We are glad to welcome you to EBMT eLearning Environment (https://eLearning.ebmt.org). Please take a few minutes to familiarise yourself with Brightspace Core (Video 1:19)'. There is a 'Show All Announcements' link at the bottom of this panel. The 'Calendar' panel shows the current date as 'Monday, 26 October 2020' and a section for 'Upcoming events' which displays 'There are no events to display.'. Below these panels is a 'My Courses' section with a thumbnail image of a healthcare professional and the text 'Curso de enfermería en Trasplantes Hematopoyéticos'. A 'View All Courses (1)' link is located below the course card. At the bottom of the page, there is a copyright notice: '© 2019 European Society for Blood and Marrow Transplantation.' and a footer with 'All rights reserved | Privacy Policy | Terms of Use'. On the right side of the footer, it says 'Kindly supported by DKMS WE DELETE BLOOD CANCER'.

2. Select the course from the “Home” or “Members & Non-members” courses menu by clicking “Enroll”.

The screenshot displays the EBMT website interface. At the top left is the EBMT logo. To the right is a search bar, a user profile icon with the text "Logout: e-learning e-learning", and a shopping cart icon showing "(0)". Below this is a dark blue navigation bar with the text "Home" and "Members & Non-members Courses". A message below the navigation bar reads: "If you are a member or an employee please log in with your account to enrol in all the courses available to you." Three course cards are shown below the message. The first card is titled "Haploidentical family donors with special respect to minors as donors" and has an "Enroll" button. The second card is titled "Midterm Focus Meeting on Non-Malignant Diseases" and has an "Enroll" button highlighted with a red box. The third card is titled "Physician webinars ecourse" and has an "Enroll" button.
