## **1. How to create a non-member account and enrol a course?**

If you are a not member and you want to access the e-learning platform for the first time.

## **2. How to access the e-learning platform with an existing non-member account and enrol in a new course?**

If you already have a non-member account.

# How to create a non-member account and enrol a course?

# How to create a non-member account and enrol a course?

1. Go to E-learning page on EBMT website by clicking the following [link](#).
2. Click on the box “Non Members Access”.

The EBMT website navigation menu includes: The EBMT, The Registry, Research, Events, Education, Nursing, Accreditation.

HOME / EDUCATION

## E-learning

VIEW EDIT DELETE REVISIONS GRANTS

The e-learning platform is designed to reach all EBMT members interested in their continuing education. Together with the collaboration of the EBMT Working Parties, the topics of interest have been established and developed in order to realize the possibility of producing online courses.

The main advantages offered by online learning are the flexibility for each student to work when and where they want, and the possibility of connecting with a wide-reaching network of colleagues, peers and experts in the field.

When selecting the resources and format for each course, not only has an expert committee considered and developed the topic in question, but a pedagogical strategy has been implemented.

The following are the very first resources that will be available in the platform for all EBMT members:

- **CAR-T cells e-course:** a series of video-conferences touching on different aspects of CAR-T cell treatment. Evaluation at the end of each module.
- **Webinars:** live online lectures about various topics of interest with questions from the participants at the end of the webinar.
- **Nurses e-course:** based on The European Blood and Marrow Transplantation Textbook for Nurses.
- **Forum:** a place to discuss, ask and network.

Additionally, learners will earn a certificate of achievement upon completion of the e-courses that include an evaluation system.

The e-learning platform is only available for EBMT members.

For any queries please contact: [el@ebmt.org](mailto:el@ebmt.org)

## 3. Select “Members & Non-members Courses”.

Notice that as a EBMT non-member, you have access to selected courses from the catalogue.

The screenshot shows the EBMT website interface. At the top right, there is a search bar, a user login icon, and a shopping cart icon showing 0 items. Below the navigation bar, the 'Members & Non-members Courses' link is highlighted with a red box. Below the navigation bar, there is a message: "If you are a member or an employee please log in with your account to enrol in all the courses available to you." Below this message, there are three course cards:

- Haploidentical family donors with special respect to minors as donors**  
Contents of the workshop  
*Haploidentical family donors with special respect to minors as donors*
- Midterm Focus Meeting on Non-Malignant Diseases**  
In this e-course, you can find the contents from the Midterm Focus Meeting on Non-Malignant Diseases Event.  
This e-course covers several topics such as sickle cell disease, Fanconi anemia and DBA; immune dysregulation, non SCID PIDs, inherited metabolic disorders, complications and outcomes, overlap of bone marrow failure and PID, and thalassemia, as well as a special keynote lecture on hemochromatosis and iron metabolism.
- Physician webinars ecourse**  
In this e-course you have the recorded version of the live webinars that EBMT has done.

# How to create a non-member account and enrol a course?

13. Now, you are in the e-learning platform. In the section “My Courses” will appear all the courses that you are enrolled in.

The screenshot displays the EBMT e-learning platform interface. At the top, the EBMT logo is visible on the left, and navigation icons for grid, chat, notifications, and user profile are on the right. Below the logo, a dark blue navigation bar contains links for Help, My Brightspace, Discover, and Catalogue. The main content area features a hexagonal pattern background and the text "European Society for Blood and Marrow Transplantation".

On the left, an "Announcements" section displays a welcome message: "Hi Elearning. Welcome to EBMT e-learning Environment". Below this, a message states: "We are glad to welcome you to EBMT eLearning Environment (https://eLearning.ebmt.org). Please take a few minutes to familiarise yourself with Brightspace Core (Video 1:19)". A "Show All Announcements" link is provided.

On the right, a "Calendar" section shows the date "Monday, 26 October 2020" and a dropdown for "Upcoming events", which currently displays "There are no events to display."

The "My Courses" section is highlighted with a red rounded rectangle. It contains a notification: "You've been enrolled in a new course." Below this, a course card for "CAR-T cell Course" is shown, featuring a thumbnail image of colorful cells and a small notification icon. A "View All Courses (1)" link is located below the course card.

At the bottom of the page, the footer includes the copyright notice "© 2019 European Society for Blood and Marrow Transplantation.", the text "All rights reserved Privacy Policy | Terms of Use", and the DKMS logo with the tagline "Kindly supported by DKMS WE DELETE BLOOD CANCER".

**How to access the e-learning platform
