List of centres *in the accreditation process* in order of country > city. Note – accredited centres are listed in a separate document and will not appear here. This information is updated approximately monthly.

Inclusion on this list does not suggest that a centre is or has been accredited or otherwise approved by JACIE.

In case of query, please write to jacie@ebmt.org.

An X indicates activities for which the centre has requested accreditation.

Initial and reaccreditation applications appear here.

Reaccreditation + *NUMBER* indicates the number of accreditation cycles following initial accreditation.

Note. Due to the disruption caused by the COVID19 pandemic, centres may take longer than expected to complete the accreditation process.

Inclusion on this list does not suggest that a centre is or has been accredited or otherwise approved by JACIE.

In case of query, please write to jacie@ebmt.org.

An X indicates activities for which the centre has requested accreditation.

Initial and reaccreditation applications appear here.

Reaccreditation + *NUMBER* indicates the number of accreditation cycles following initial accreditation.

Note. Due to the disruption caused by the COVID19 pandemic, centres may take longer than expected to complete the accreditation process.

List of centres *in the accreditation process* in order of country > city. Note – accredited centres are listed in a separate document and will not appear here. This information is updated approximately monthly.

Inclusion on this list does not suggest that a centre is or has been accredited or otherwise approved by JACIE.

In case of query, please write to jacie@ebmt.org.

An X indicates activities for which the centre has requested accreditation.

Initial and reaccreditation applications appear here.

Reaccreditation + *NUMBER* indicates the number of accreditation cycles following initial accreditation.

Note. Due to the disruption caused by the COVID19 pandemic, centres may take longer than expected to complete the accreditation process.
