

# Chronic Malignancies Working Party

## CLL & PCD & PH&G

Activities of the working party and subcommittees

Chair: Ibrahim Yakoub-Agha

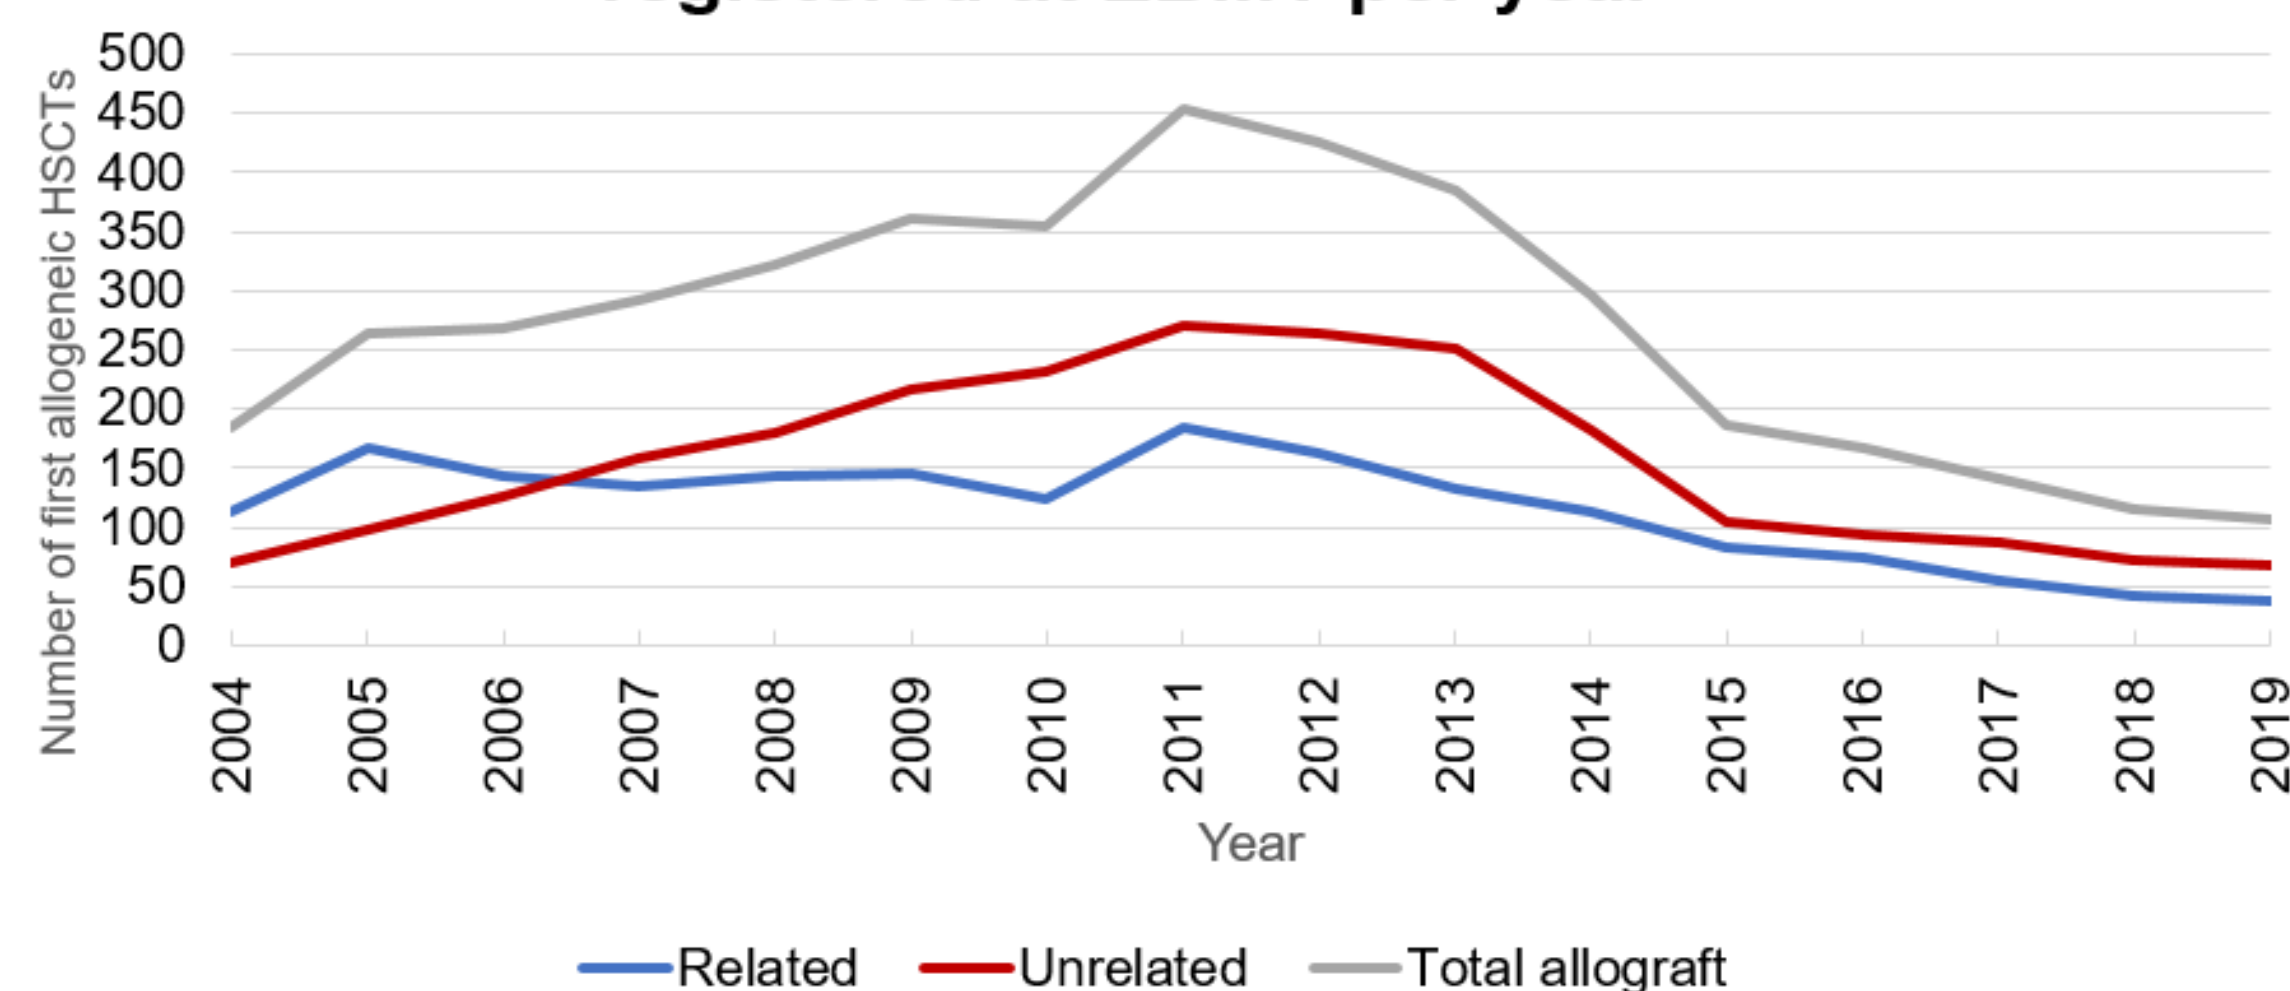

Secretary: Patrick Hayden

E-mail address: [cmwpebmt@lumc.nl](mailto:cmwpebmt@lumc.nl)

### Subcommittee Chronic Lymphocytic Leukemia (CLL)

Chair: Olivier Tournilhac, Vice-chair: Michel van Gelder

Number of first allogeneic transplant for CLL registered at EBMT per year

#### Active data requests

We have several ongoing data requests at the moment:

Autologous and allogeneic HSCT for Richter's syndrome (2008-2018) – a retrospective study of the European Society for Blood and Marrow Transplantation (EBMT) Chronic Malignancies Working Party

*Romain Guieze & Olivier Tournilhac*

Allogeneic hematopoietic Stem Cell transplantation (1985-2018) for Hairy Cell Leukemia (HCL)

*Dai Chihara*

If you are interested in participating or you want more information, please contact us at:

[cmwpebmt@lumc.nl](mailto:cmwpebmt@lumc.nl)

### Subcommittee Practice Harmonization & Guidelines (PH&G)

Chair: Patrick Hayden, Vice-chair: Laurent Garderet

The CMWP created a Practice Harmonization & Guidelines subcommittee in 2018. The intention is to produce practical clinically relevant guidelines for haematologists in the field of HSCT.

#### Current topics:

EBMT Allo-HCT for Myelofibrosis consensus guidelines

*Donal McLornan*

EBMT Allo-HCT for CMML consensus guidelines

*Francesco Onida*

#### Topics under consideration:

Practical recommendations on Auto-HSCT in MM

Eligibility and sequencing of CAR-T therapy in MM

Please feel free to contact us if you would like to lead on the production of a new guideline. These projects lend themselves to virtual meetings and conference calls.

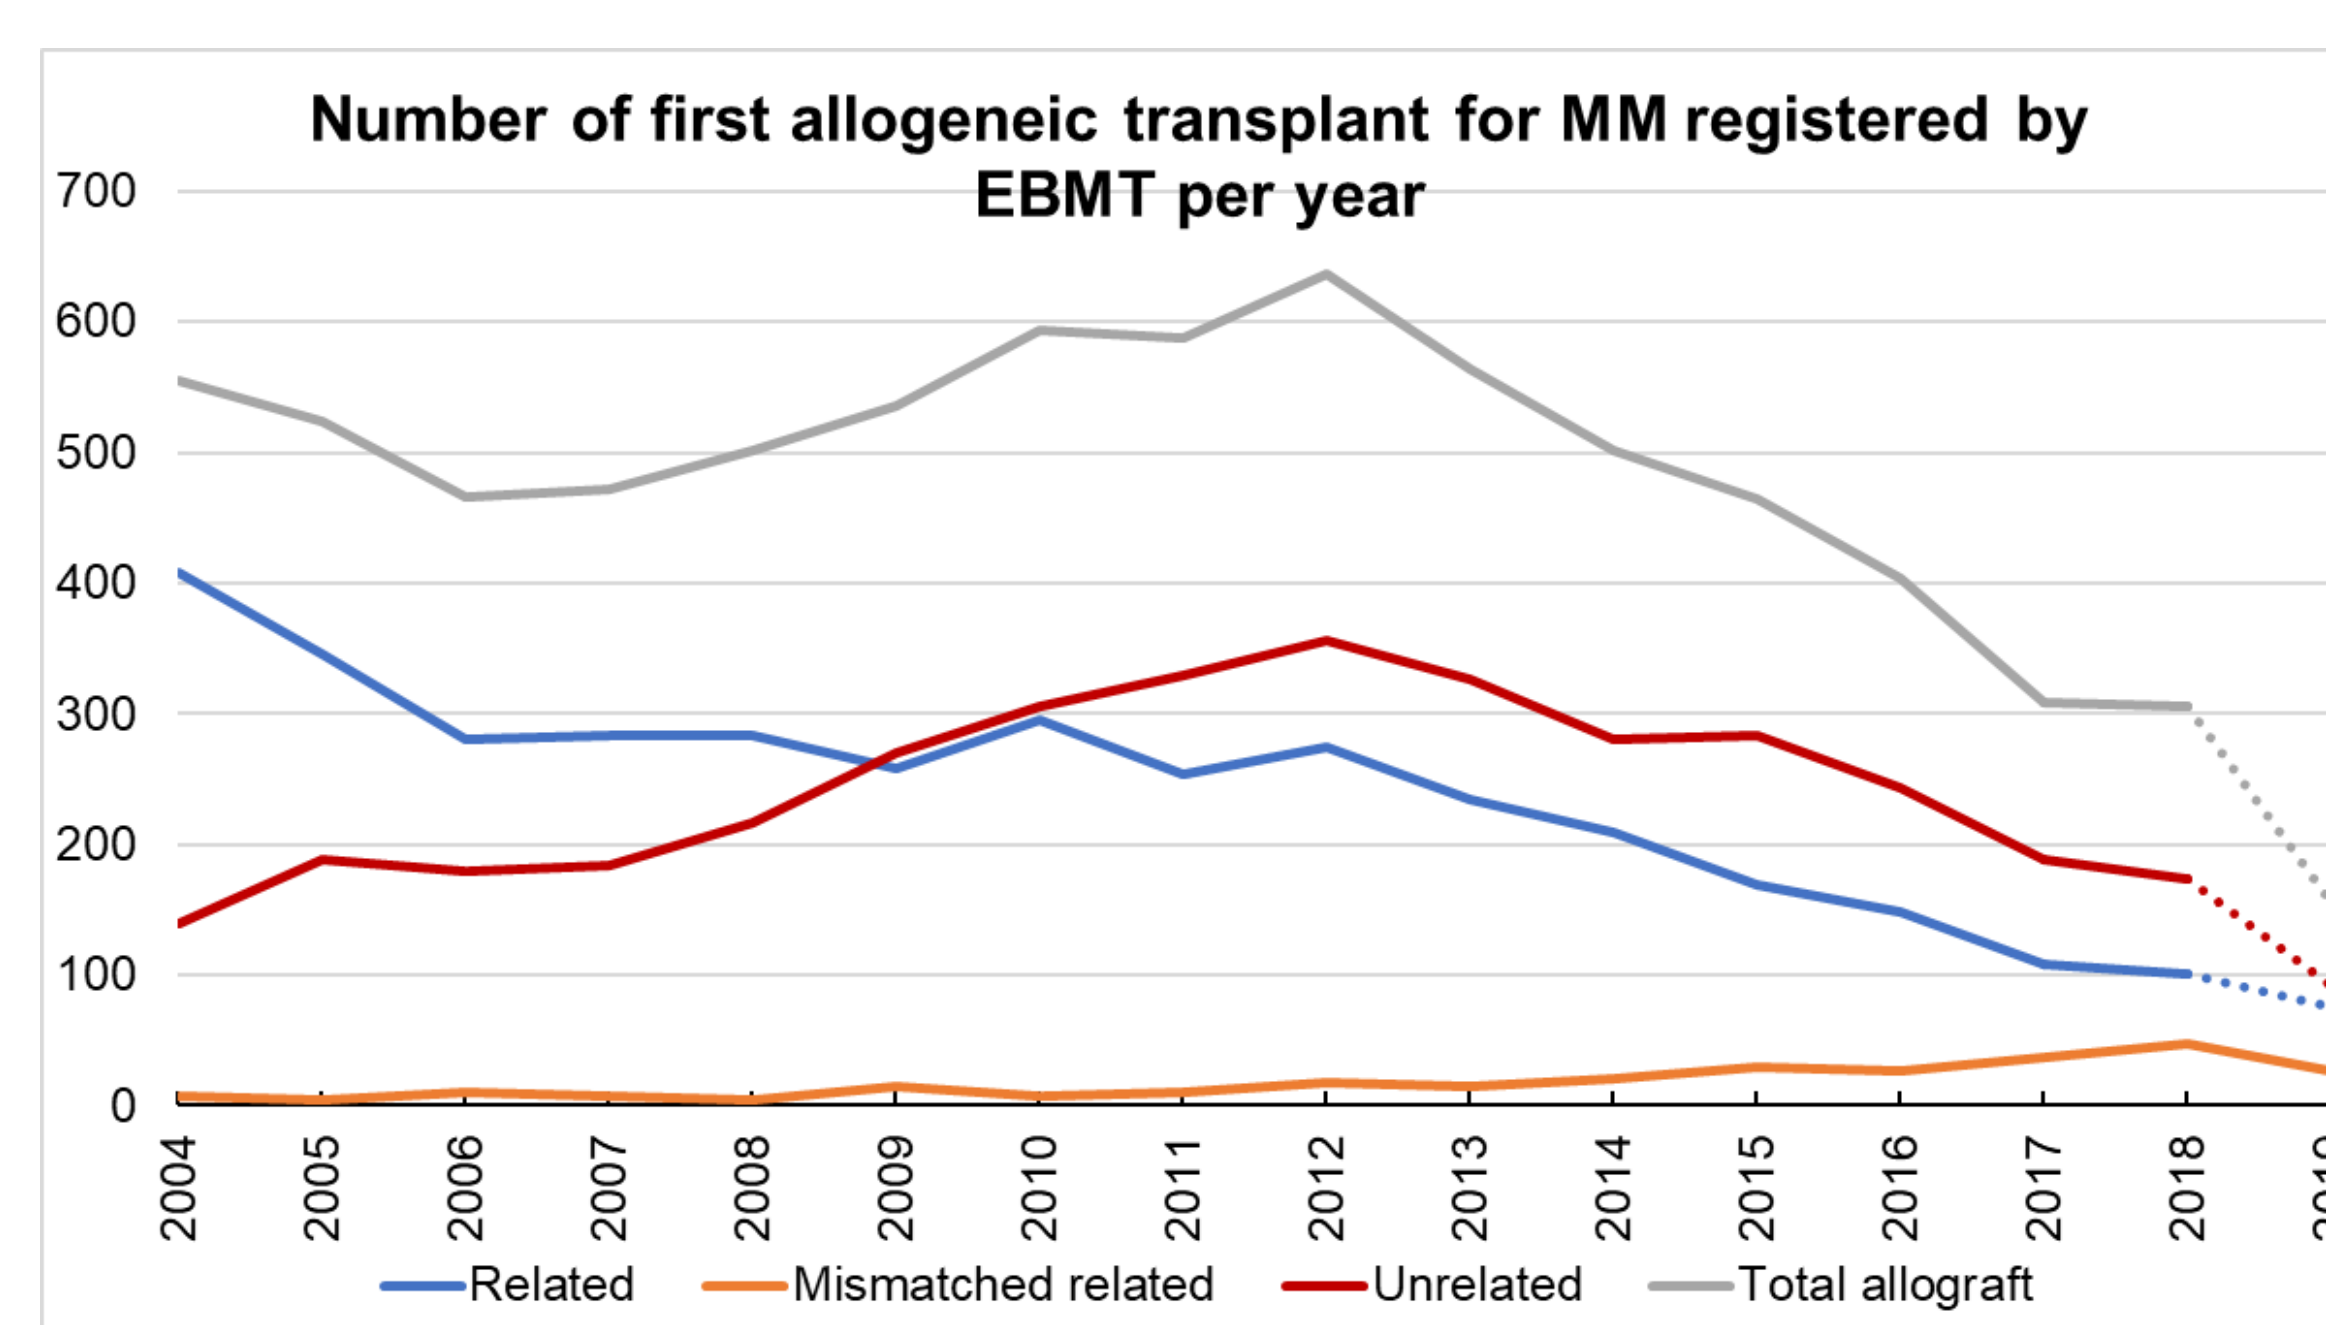

We particularly encourage haematologists-in-training as there is a depth of experience in the CMWP to support you in your chosen Project

In case of any questions, please email Patrick Hayden at [secretaryebmtcmwp@stjames.ie](mailto:secretaryebmtcmwp@stjames.ie)

### Subcommittee Plasma Cell Disorders (PCD)

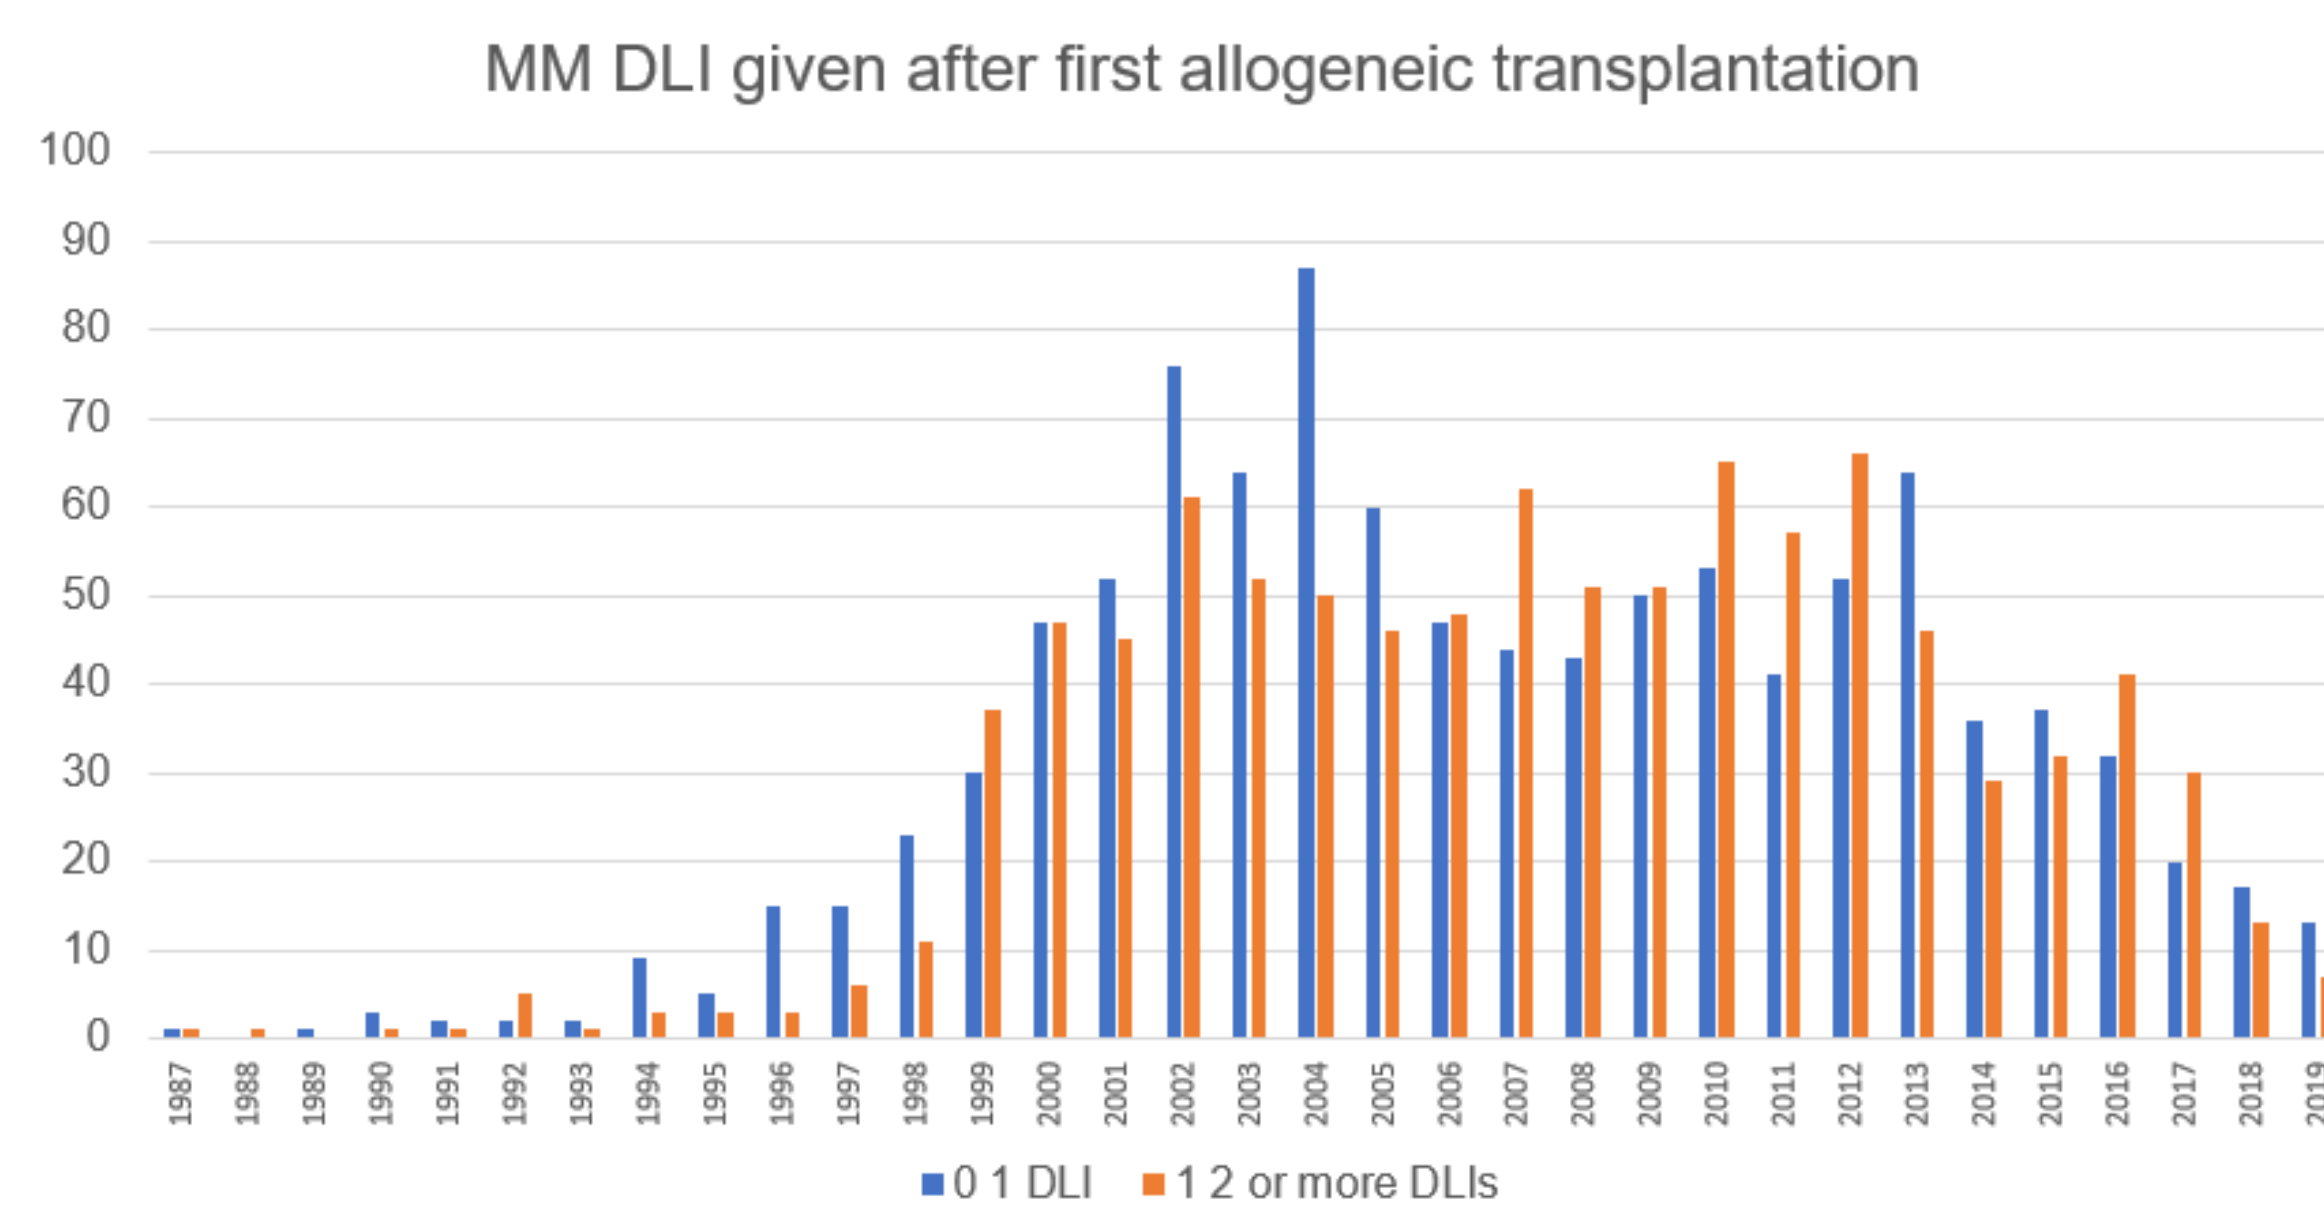

Chair: Stefan Schönland, Vice-chair: Meral Beksac

Number of autologous transplants for MM registered by EBMT per year

#### New project: DLI after allogeneic HSCT in MM patients

Currently we have the following numbers in our registry:

#### Active data requests

Currently there are several ongoing data requests:

Retrospective analysis of second line Autologous Stem Cell Transplantation after KRd induction in Multiple Myeloma

*Salomon Manier & Ibrahim Yakoub-Agha*

Tolerability and efficacy of Venetoclax post autologous SCT in Multiple Myeloma

*Meral Beksac*

If you are interested in participating or you want more information, please contact us at:

[cmwpebmt@lumc.nl](mailto:cmwpebmt@lumc.nl)

#### Presentations & Posters at EBMT 2021

Autologous hematopoietic cell transplantation for relapsed multiple myeloma performed with stem cells re-mobilised following a prior auto-HCT – a retrospective study on behalf of the Chronic Malignancies Working Party of the EBMT

*Joanna Drodz-Sokolowska et al.*

Trends in Autologous Stem Cell Mobilisation Practices for Myeloma in EBMT centres between 2008 and 2017

*James Dillon & Patrick Hayden*
