This is an authorization from the **Author** to the **European Society for Blood and Marrow Transplantation** (hereafter "**EBMT**") to use and upload the Material (as defined below) into EBMT websites, e-learning platforms, social media and mobile learning apps owned, maintained or operated at any time or on behalf of EBMT.

The Material (slides, memo and image) of the author and Author's Presentation in the **EBMT Annual Meeting 2022** will be recorded and uploaded into the EBMT websites, e-learning platforms, social media and mobile learning apps owned, maintained or operated at any time or on behalf of EBMT. The purpose is to be accessible to the EBMT members.

- The presentation will be recorded as a series of slides, accompanied by Author's spoken comments and explanations and, as the case may be, his/her image.
- Any statement in the Material reflects Author's personal view or opinion. Such statements are supported by Author's personal background, knowledge on the subject, knowledge of recent peer reviewed publications and congress presentations.
- The Author represents and warrants that (i) the Material is original and that the Author is the author and legally entitled to grant this permission, (ii) that the Author is not bound by any restrictions from third parties, and (iii) the Material does not violate any law or infringe any personal or property rights of others.
- The Author represents that the personal data contained in the Material, including but not limited to the special categories of personal data (e.g. health data, genetic and biometric data) processed prior to the date of the Publishing Authorization for the purposes of the scientific research as may be referred to in the Material, has either been duly made anonymous/de-identified (with no direct or indirect link to a person) or the necessary explicit consent/authorization/release relating to the processing of the personal data for the purposes of the Publishing Authorization has been duly obtained in compliance with the applicable data protection laws.
- The Author hereby authorizes EBMT to use the Material free of charge, for any use that may be in the interests of EBMT, for as long as permitted by applicable law and without geographical restriction. The Author

authorizes EBMT to make the Material available in EBMT Communications to EBMT audiences, amongst whom the members attending the event (the “EBMT Audiences”). This means and includes, without limitation, the following rights:

- to record, publish and reproduce it on any electronic medium;
  - to display or to broadcast it in an electronic format;
  - to adapt the Material in order to fit users' equipment;
  - to meet any other technical requirements; *and*
  - to create translations of the Material in transcript, subtitle or annotation form
- EBMT is entitled to publish or otherwise make the Material available in full or partially, at the discretion of EBMT. However, EBMT has no obligation to use or publish the Material.
  - In such EBMT Communications, the Author will be credited as author or co-author. The Author acknowledges that EBMT may accomplish the publication of this Material through one or more designated contractors or representatives performing services on EBMT’s behalf (“Designee”).
  - The Author shall hold EBMT and/or its Designee harmless against any claims or liabilities brought against EBMT or EBMT Audiences by third parties for the use of the Material or for any violation of applicable laws or third parties’ rights.
  - The Author understands that this permission will entitle EBMT to store the Material on servers and other hosting platforms under control of EBMT and/or a Designee

The personal data provided will be processed according to the General Data Protection Regulation (GDPR 2016/679) and stored in an electronic database property of EBMT which will be allocated in the EEA (European Economic Area) or in countries that are provided with the same level of protection for privacy.

A Data Subject has the right of access to and rectification of his or her data and the right to withdraw consent. If as a Data Subject you wish to exercise any of the rights listed above, please write to [data.protection@ebmt.org](mailto:data.protection@ebmt.org).

For further information please go to the [Privacy Policy](https://www.ebmt.org/privacy-policy): <https://www.ebmt.org/privacy-policy>
