INTRODUCTION

The Spanish Nurses Group is integrated in the Scientific Society for Hematopoietic Stem Cell Transplantation and Cellular Therapies (GETH- Grupo Español de Trasplante Hematopoyético y Terapia Celular) and works together with other groups in different clinical, educational and research projects. The group works through different committees with representatives from all regions (see Committees: Activities)

OBJECTIVES

- Promote nurse participation in decision-making: projects of the Haematology and Transplant Units.
- Develop research project: National situation of Advanced Nurse Practitioners and competences
- Develop research project: Provide Nurse-patient ratios in transplant units.
- Promote participation of new members
- Provide continuous education
- Collaborate with other societies and patient organizations

EDUCATIONAL ACTIVITIES

- **3rd Edition of the Postgraduate Hematopoietic stem cell transplantation and cell therapy Course:** University of Valencia. Ongoing 4th edition
- **Platform for online education:** <https://sedevirtual.geth.es/>
 - Quality management and JACIE Accreditation: webinars every two months for all professionals
 - Post-EBMT Nursing webinar: May 16th 2022.
 - Initial HSCT training course for nurses: 4th edition. Oct 22 – Feb 23. Ongoing 5th edition
- **Annual meeting: Spanish Society for HSCT and Cellular Therapy:** June 16-17th 2022
- **15th Nurses Group Educational Meeting EBMT:** Ongoing September 2023

COMMITTEES: ACTIVITIES

Committee	Responsible	Projects 2022	Ongoing Project 2023
Adult clinical practice	Laura Romero	Guidelines GvHD: multidisciplinary team: published. HSCT and Exercise program booklet: published	Patient discharge information booklet Venous access group
Pediatric clinical practice	Carmen Conde	Guidelines GvHD: multidisciplinary team: published.	HSCT and Exercise program booklet Pediatric/adolescent CAR-T booklet Pediatric/adolescent patient discharge booklet Apheresis Training course
Apheresis	Laura Bibiloni	Venous Access guideline for apheresis: published	
Transplant coordinator and data managers	Cristina Muñoz	Preceptorship programme for allogeneic transplant: Training transplant coordinators and data managers	Compliance of data registry in PROMISE: Benchmark Program for HSCT and CT coordinators: Geshtronica
JACIE	Eugenia Trigo	Patient and donor satisfaction survey (JACIE standards).	Spread national use of survey.
Cell Therapy	Mercedes Montoro	Nursing care CAR-T cell therapy guideline: published	Training course: aimed at referral centers Patients and caregivers CAR-T booklet
Communication	Iria González	Website: www.grupoetph.com	Create group to update information at website: technology and social networks knowledge.
Research Committee	Isabel Salcedo	New committee	Research workshop Support research projects: ratio nurse/patient and ANP national situation
Ambulatory Transplant/TC	Cristina Gallego	New committee	Contact all units with ambulatory programs Develop guidelines
Chair and other members	Julia Ruiz Enric Santacatalina (Chair elect)	Manuela Salinero Francisco Xosé Román	

ACKNOWLEDGMENTS

Thanks to all spanish nurses that participate in the different projects and committees
