

Severe Aplastic Anaemia Working Party Educational Course

Basel, Switzerland
9-11 October 2025

WORD OF WELCOME

Dear Colleagues and Friends,

This year, the Severe Aplastic Anaemia Working Party Educational Course will be held in Basel, Switzerland, from 9-11 October 2025. It will be a great pleasure to welcome international physicians and experts with a special interest in aplastic anemia, on behalf of SAAWP EBMT.

The conference will feature comprehensive sessions on acquired aplastic anemia, inherited bone marrow failure and paroxysmal nocturnal hemoglobinuria.

We are aiming to share knowledge, foster collaboration and advance our understanding in the field of aplastic anemia, paving the way for the future studies to be conducted by our Working Party.

And this scientific discussion will also give us the opportunity to honor our mentors who have pioneered the field of aplastic anemia.

We look forward to welcoming you to Basel!

Antonio Risitano - *Severe Aplastic Anaemia Working Party Chair*

Austin Kulasekararaj - *Severe Aplastic Anaemia Working Party Secretary*

Jakob Passweg - *Severe Aplastic Anaemia Working Party Local Organiser*

Beatrice Drexler - *Severe Aplastic Anaemia Working Party Local Organiser*

Kelly Hennessy - *Severe Aplastic Anaemia Working Party nurse*
