2. GENERAL MEETING INFORMATION

The EBMT and the European Hematology Association (EHA) are delighted to present the **8th edition of the jointly organized European CAR T-cell Meeting**, taking place in Palma de Mallorca, Spain from 12-14 February 2026. This exciting gathering will explore the latest advancements in CAR T-cell therapy, from unpublished clinical data and scientific innovations to accessibility, and strategies for enhancing long-term efficacy and safety.

With a robust programme featuring cutting-edge research, real-world applications, and insights into new indications, the meeting offers an exceptional platform to connect with leading experts, clinicians, industry representatives, and patient advocates. It also provides unparalleled visibility and engagement with a global audience at the forefront of CAR T-cell therapy's transformative potential.

2.1 Key Information

Official meeting title:	8th European CAR T-cell Meeting
Live meeting dates:	12-14 February 2026
Location:	Palma de Mallorca, Spain
Venue:	Palau de Congressos de Palma
Format:	Hybrid
Platform access:	https://cart26.conf2go.app/

Programme:	https://www.ebmt.org/events/ebmt-eha-8th-european-car-t-cell-meeting

2.2 Format

This is a Hybrid meeting, which can be attended physically or virtually. The emphasis lies on the physical participation in the programme, but most sessions will be live streamed via a virtual platform for those who can only follow the programme remotely. Most of the content will be available on-demand for a period of a month starting from **23 February 2026**.

2.3 Target Audience

The target audience consists of haematologists, oncologists, physicians, scientists, manufacturing specialists, pharmacists, nurses, data managers, supply chain managers and patient organization representatives.

2.4 Abstract Submission

Abstract submission is an important part of this meeting. Participants can submit an abstract for this meeting, and (if accepted) have the possibility to discuss it with the international faculty and peers. Introduced in 2021 and after successful editions, we are excited to announce the **6th Emerging Investigators EBMT-EHA Joint Fellowship Awards** in the Field of Cell Therapy and Immunotherapy. Three winners will be selected, and each will receive €10,000 and the opportunity to present their abstract in one of the Best Abstracts Sessions.

2.5 Case Report Submission

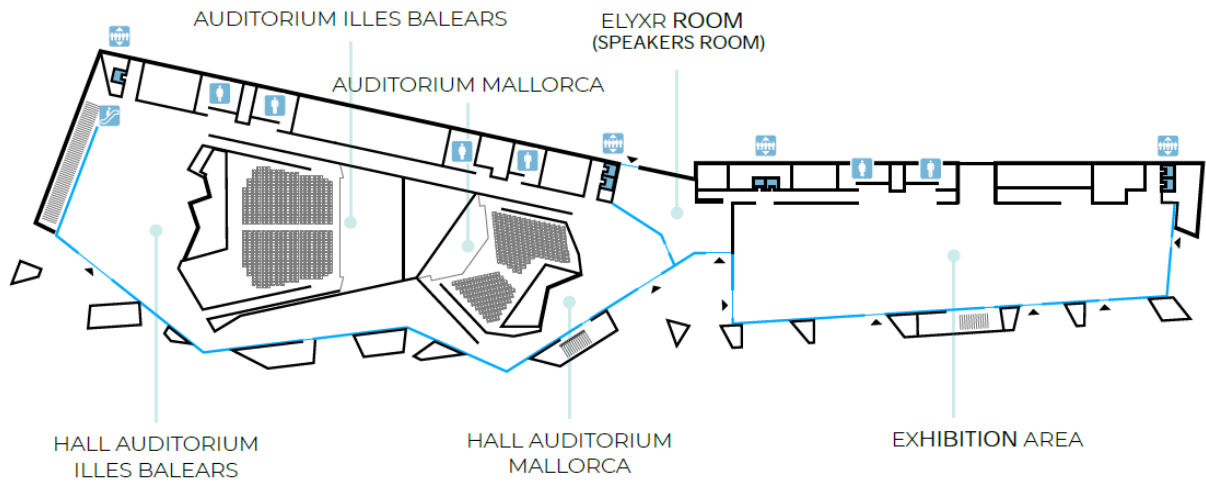

To encourage young investigators, we encourage the submission of case reports for the chance to be featured in the meeting program. The deadline to submit a clinical case report is **16 November 2025, before 23:59h CET**.

Delivery address

Please see contact details below.

RESA EXPO LOGISTICS

Email: melialogistics@resaexpo.com

Raquel Barreiro, Tel.: +34 93 390 54 94

Before shipping any items to your stand, please make sure you get in touch with the official handling company, RESA EXPO LOGISTICS.

They will be happy to solve your doubts and offer their services for reception and delivery or unloading to stand of your materials.

*Please note that **the venue does not receive, clear customs, or store incoming shipments**. If you intend to ship goods directly to your stand, you need to be there in order to sign off on the delivery note of your transport company. However, non-EU shipments need an importer of record and cannot be consigned directly to the venue, as they will get stuck at customs.*

Important delivery information:

- Delivery of pallets: must be done on written request in advance. Please indicate the name and arrival time of your carrier and the value of the pallet. RESA EXPO LOGISTICS is released from any responsibility in case of theft or breakage during transport. No content verification will be performed.
- International Delivery: must be shipped with International Commercial Terms in DDP (Delivered Duty Paid). Goods delivered to destination, import customs clearance and taxes payable by the shipper.
- Storage of packaging: RESA EXPO LOGISTICS does not have premises for the storage of empty packaging during the meeting; packaging must therefore be immediately removed after assembly, and if necessary, brought back at the time of dismantling. All packaging type storage, such as cartons, cans, pallets, in the exhibition or immediate surrounding halls, is forbidden.
- Unloading trucks and transport to the stand: must be supported by the exhibitor. You must use a forwarder for handling and unloading services. **The Palau de Congressos de Palma does not provide unloading equipment.**
