

54th Annual Meeting of the EBMT (2028)

Expression of Interest to Bid

Phase 1 of the bid process

This form constitutes Phase 1 of the EBMT bid process.

In phase 2, shortlisted candidates will be invited to submit a full venue bid document, including detailed capacity, logistics, hotel, social programme, and cost information; together with a summarised scientific programme proposal outlining the educational vision and innovative session formats.

Name and contact details of proposed Congress President

Full name · title · institution · email · phone

Name and contact details of proposed core committee members including a nurse representative

This field is not mandatory in Phase 1. However, if this information is already available, we encourage you to include it at this stage. Please list each member on a separate line, indicating their role (e.g. Scientific Chair) and at least one nurse representative.

Brief statement on local scientific strengths

Max 800 characters

Proposed host city and country

Proposed meeting venue

Include venue name, website address and contact details

Other partner organisations and their contact details (if any)

Convention bureau, universities, tourism boards, etc.
