EBMT Registry Conditions of Use

The EBMT Registry is offered on condition that the service is used for legitimate, authorised purposes only. The main purpose of these Conditions of Use is to encourage the responsible use of the EBMT Registry; to maximise the availability of resource for legitimate purposes; and to minimise exposure to misuse from inside or outside EBMT.

The EBMT Registry Users must:

1. Respect the copyright of all materials and software that are made available by EBMT for authorised use.
2. Familiarise themselves with and comply with the requirements of the Data Protection laws in existence in each individual country and the General Data Protection Regulation (GDPR 2016/679).

NOTE: *Data Protection laws protect individuals against the unauthorised use or disclosure of their data. The misuse or disclosure of an individual's data may amount to a criminal offence.*

3. Immediately inform the EBMT Registry if they need to cancel their User access to the EBMT Registry.

The EBMT Registry Users must not:

1. Use the EBMT Registry in such a way as to risk or to cause loss, damage or destruction of data or breaches of confidentiality of data.

NOTE: *EBMT undertakes to provide appropriate security measures to limit the likelihood of such occurrences. EBMT cannot give any warranty or undertaking about the integrity of information.*

2. Disclose usernames and passwords to others, or use usernames and passwords belonging to others.

The signing of an EBMT Registry User Account Request – Data Viewer form by requestors and future EBMT Registry Users, binds signatories to abide by the EBMT Registry Conditions of Use. In all cases the act of registering as a User of the EBMT Registry, implies acceptance of the EBMT Registry Conditions of Use stipulated above, and compliance with these conditions.
