

18th Educational Meeting of the EBMT Nurses Group

Dublin, Ireland | 1-2 October 2026

WORD OF WELCOME

On behalf of the EBMT, we are delighted to welcome you to the 18th Educational Meeting of the EBMT Nurses Group, taking place on Thursday 1st and Friday 2nd October 2026 in Dublin, Ireland.

We are pleased to present a comprehensive and engaging programme tailored for nurses and allied healthcare professionals working in the field of Hematopoietic Cell Transplantation and Cellular Therapy. The meeting will explore a broad range of topics, including advances in nursing practice, psychosocial support, and an interactive session on innovative follow-up models.

The programme will also feature some of our regular highlights, including presentations from the Annual Meeting 2026 prize winners and our Research Workshop. This year's workshop will focus on bridging research and clinical practice through Implementation Science.

We very much look forward to welcoming you to Dublin for what promises to be an inspiring and enriching event. Your participation is greatly valued—together, we can help shape the future of care in Hematopoietic Cell Transplantation and Cellular Therapy.

Hilda Mekelenkamp – *Nurses Group President*

Michelle Kenyon – *Nurses Group Past President*

Elin Öfverberg – *Nurses Group Secretary*

Lynn Lepla – *Nurses Group Research Committee Chair*

Mairéad Ní Chonghaile – *Local Organiser*

Hear from Experts Shaping Transplant and Cellular Therapy for Patients with Haemoglobinopathies

Discover expert-led webinars, podcasts and presentations to support your clinical practice.

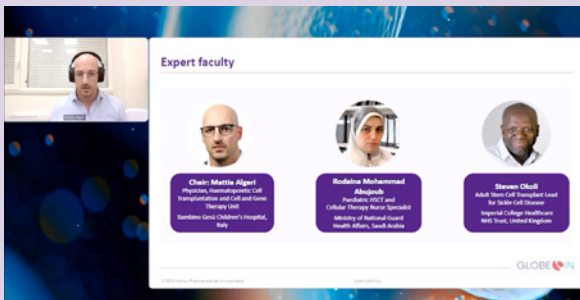

PODCAST

Handling difficult conversations with patients about transplant

Dr Jenna Love, Natasha Lewis and Dr Nibras Naami share key considerations for discussing transplant with patients.

Listen >

WEBINAR

Patient care during transplant and beyond

Gain insights into supporting patients and families throughout the haemoglobinopathy transplant journey.

Watch >

HIGHLIGHTS

Highlights from the EBMT 2026 Congress

Experts Fabio Giglio and Michelle Kenyon reflect on key highlights from the 52nd Annual Meeting of the European Society for Blood and Marrow Transplantation (EBMT).
