

Thursday, 9 October 2025

13:00-14:30

Transplant 1: HLA and donor selection

Moderators: Florent Malard (FR) and Frederic Baron (FR)

13:00-13:20

Graft composition and impact on transplantation platforms

Jurgen Kuball (NL)

13:20-13:40

Stem cell rejuvenation for better transplants

Guy Sauvageau (CA)

13:40-14:00

HLA in transplantation: from structure to function

Roberto Crocchiolo (IT)

14:00-14:20

Algorithm for donor selection

Mohamad Mohty (FR)

14:20-14:30

Panel discussion: All session faculty

14:30-16:00

Transplant 2: Graft-versus-Host disease

Moderators: Federico Simonetta (IT) and Bipin Savani (US)

14:30-14:50

PTCy tolerance and long term effect

Annalisa Ruggeri (IT)

14:50-15:10

T cell depletion or no T cell depletion?

Moniek de Witte (NL)

15:10-15:30

Immune monitoring after allo-HCT

Simona Pagliuca (FR)

15:30-15:50

New treatment for a and cGVHD

Florent Malard (FR)

15:50-16:00

Panel discussion: All session faculty

Friday, 10 October 2025

08:15-09:45

Transplant 3: ALL management

Moderators: Annalisa Ruggeri (IT) and Christoph Schmid (DE)

08:15-08:35

Does addition of Blinatumomab change the role of allo HCT in first line ALL treatment?

Sebastian Giebel (PL)

08:35-08:55

Does Remission after CAR T treatment replace allo SCT?

Eolia Brissot (FR)

08:55-09:15

CAR T cell in T-ALL

Nicola Maciocia (UK)

09:15-09:35

The place of CART in B-cell malignancies

Ibrahim Yakoub-Agha (FR)

09:35-09:45

Panel discussion: All session faculty

11:40-13:10

Transplant 4: AML management

Moderators: Zinaida Peric (HR) and Didier Blaise (FR)

11:40-12:00

Predictive score for AML

Alexandros Spyridonidis (GR)

12:00-12:20

Conditioning regimen in AML

Raynier Devillier (FR)

12:20-12:40

Post-transplant maintenance in AML

Ali Bazarbachi (LB)

12:40-13:00

CAR T and TCR construct for AML

Fabio Ciceri (IT)

13:00-13:10

Panel discussion: All session faculty

15:30-17:30

ALWP Scientific Business meeting

15:30-17:30

CTIWP Scientific Business meeting

17:30-18:30

Joint Scientific Business meeting

Saturday, 11 October 2025

08:15-09:45

Transplant 5: Management of relapse of AML and ALL after alloHCT

Moderators: Jurgen Kuball (NL) and Fabio Ciceri (IT)

08:15-08:35

Biology of leukemia relapse

Giorgio Orofino (IT)

08:35-08:55

Clinical case nurses

Ruth Clout (UK) & Annalisa Ruggeri (IT)

08:55-09:15

Treatment of relapse

Christoph Schmid (DE)

09:15-09:35

Application of DLI

Nicole Santoro (IT)

09:35-09:45

Panel discussion: All session faculty
