

About JACIE

The Joint Accreditation Committee-ISCT & EBMT is a not-for-profit body established in 1998 for the purposes of assessment and accreditation in the field of haematopoietic stem cell (HSC) transplantation. JACIE's primary aim is to promote high quality patient care and laboratory performance in haematopoietic stem cell collection, processing and transplantation centres through the development of global standards and an internationally recognised system of accreditation.

Applications

Reaccreditation + NUMBER indicates the number of cycles the centres has completed following initial accreditation.
